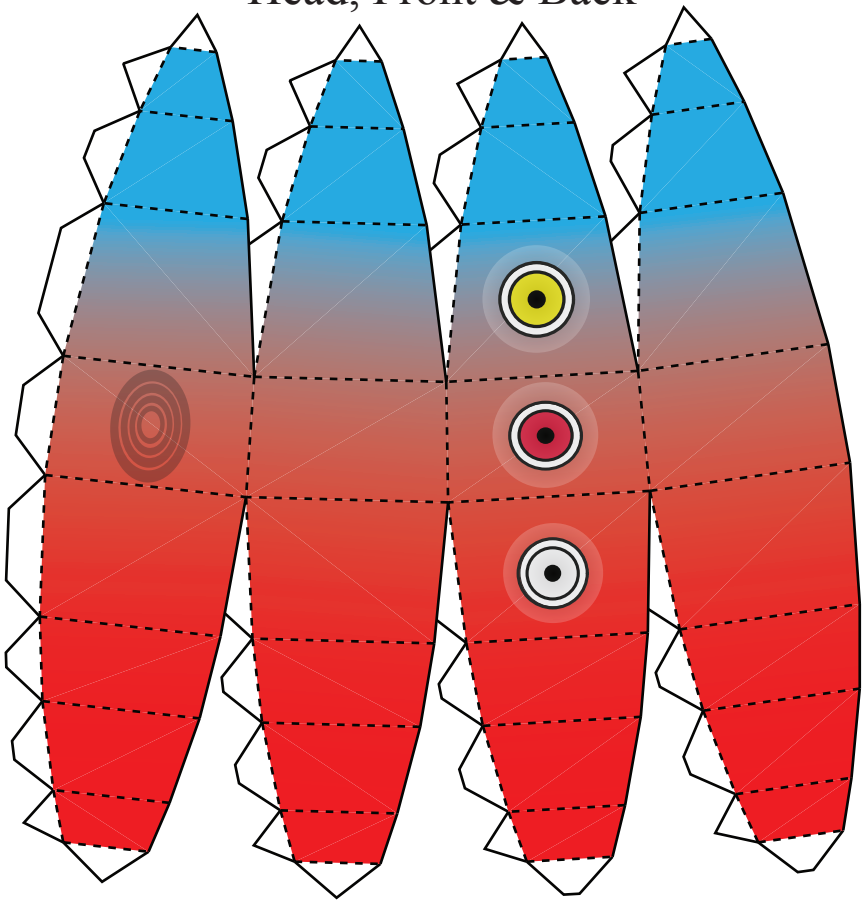
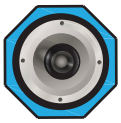
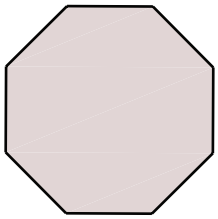
Head, Front & Back



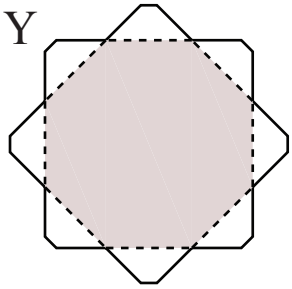
Top of Head



X



Y



These two parts are optional

The Head can be attached directly on to the Body, using the Tabs at base of the Head section. Alternatively, attach Part X to the base of the head & Part Y to the top of the Body, then glue the two sections together.

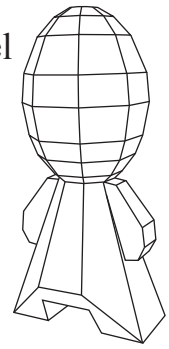
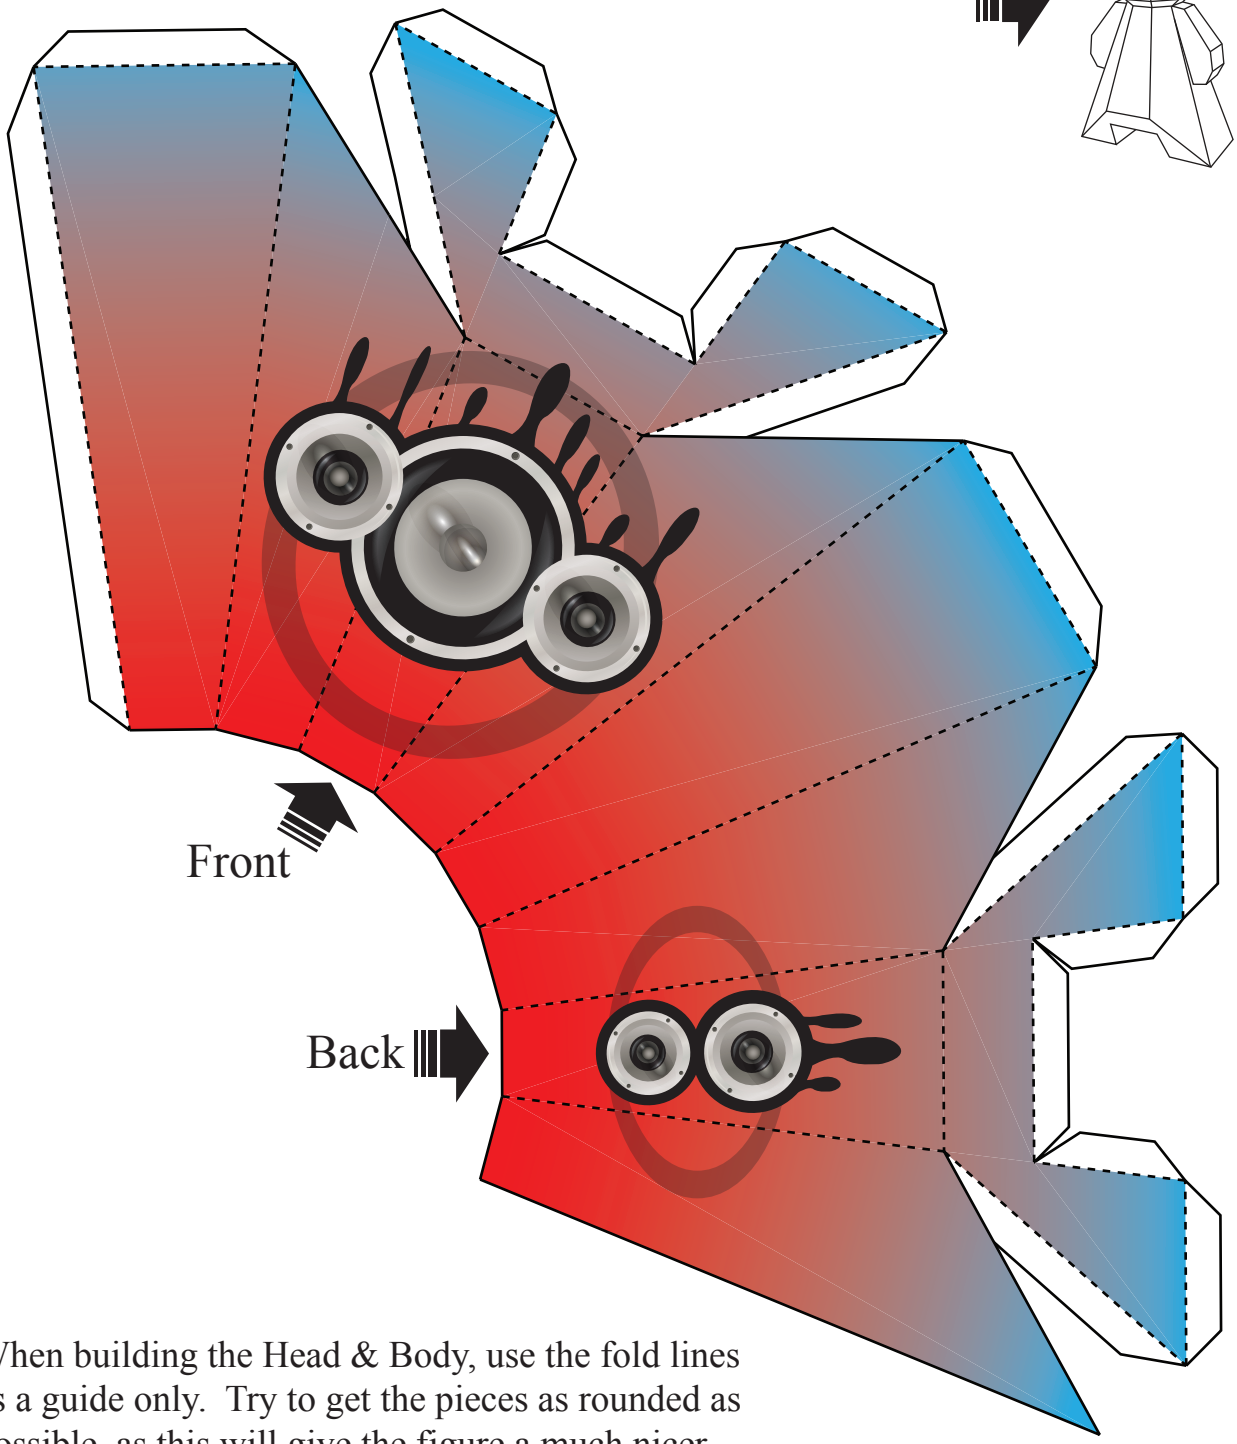
Main Body Section

Your completed model should look like this.





When building the Head & Body, use the fold lines as a guide only. Try to get the pieces as rounded as possible, as this will give the figure a much nicer final appearance. Score & fold the Glue Tabs as normal.
