Baby Po
Kung Fu Panda 2

Last month my wife, my daugther and I was watching Kung Fu Panda 2 in 3D. It was the first time my daugther watching movie in 3D at XXI Pejaten Village movie theater, Jakarta. She was very excited so was me and my wife. We have fun together there, to me Kung Fu Panda 2 is a lot funnier than the first one, and still with a good moral message, a very good movie to watch with our family a good education for kids. When I saw a cute baby Po for the first time I thought I have to make that in papercraft form, so here it is a simple yet cute paper craft template of baby Po with radish crate.
