

BARTZ
(DANCER)

dissidiaffaaron.blogspot.com

Legs

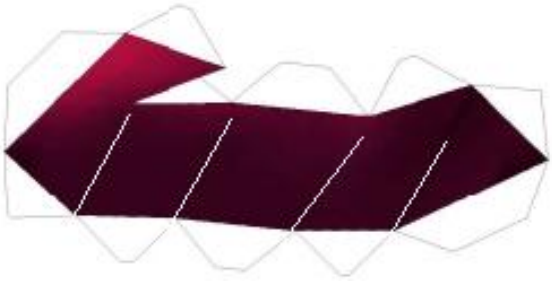
1. First, construct parts 1-5 for the shoe.
2. Then, construct parts 6-12 for the leg.
3. Repeat with parts 13-24 for the other leg.
4. Join the two legs together with parts 25-26.
5. Construct parts 27-32 for the rest of the pants.
6. Then, construct parts 33-44 for the sash and glue them to the belt.

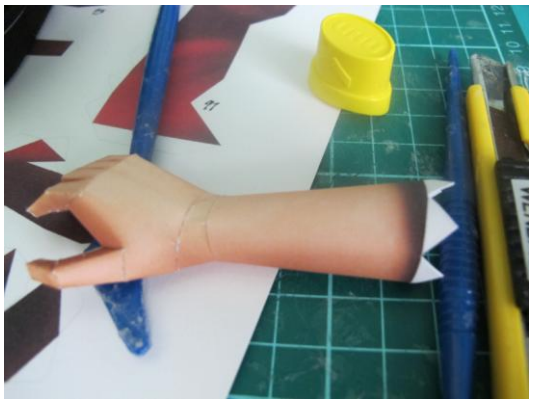
Shirt

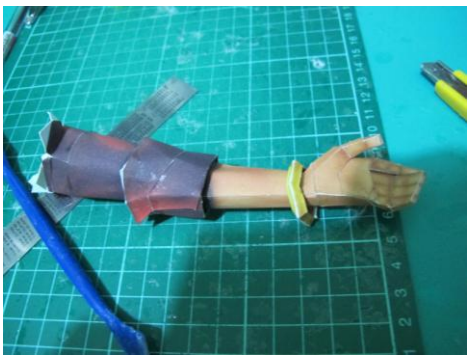
1. Construct parts 45-59 for the shirt. Double side parts 47 and 48, and glue the flaps to the corresponding flaps on part 46.
2. Then, construct parts 60-68 for the collar.
3. Glue parts 69-74 for the chest.

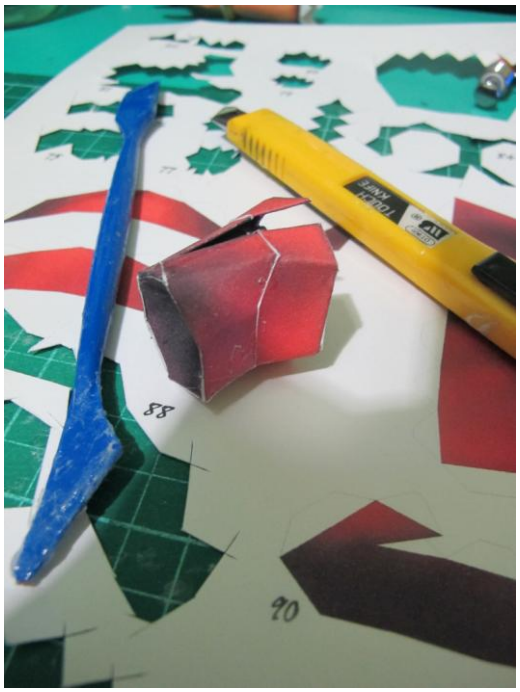
Arms

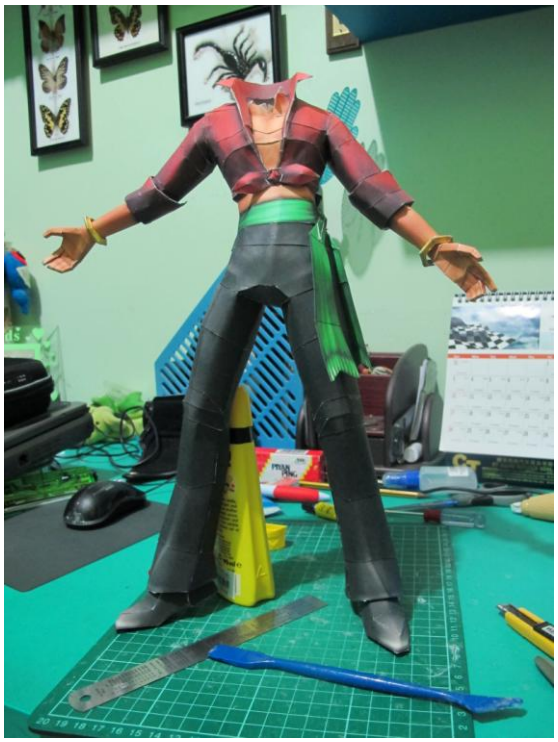
1. Construct parts 75-83 for the arm.
2. Then, construct parts 84-85 for the bangle, and squeeze it into place.
3. Construct parts 86-89 for the rolled-up sleeve. Set it aside.
4. Construct parts 90-93 for the sleeves. Cut part 90 according to the white lines in the right diagram and fold it up.
5. Repeat with parts 94-112 for the other arm.
6. Glue the arms to the shirt.





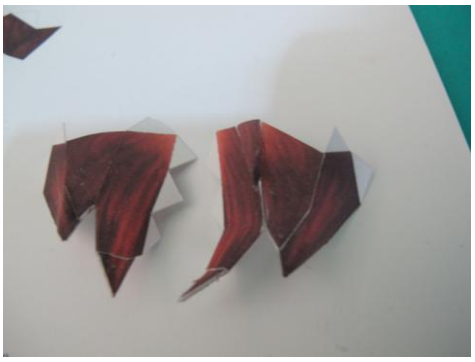


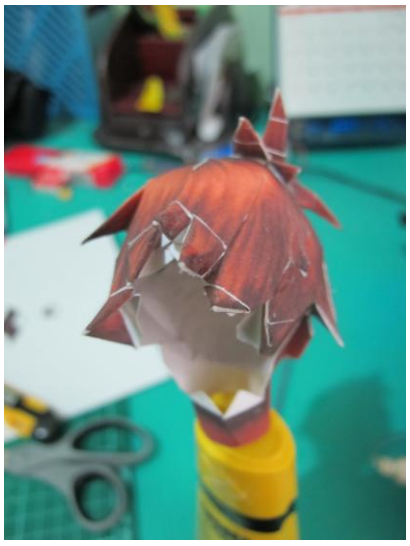




Head

1. Construct parts 113-131 for the face.
2. Construct parts 132-141 together, then attach it to the face.
3. Then, construct parts 142-149 together and attach to the face.
4. Construct parts 150-157 and attach to the head.
5. Then, construct parts 158-159.
6. Construct parts 160-163 and 164-168 and attach them to the head.
7. Construct parts 169-172.
8. Finally, build the back part of the head with parts 173 to 178.
9. Glue the head to the body.





Finally, our sexy mime and dancer is ready for his performance.
