The Corporeal Beast

Papercraft by Misterxman

Model from Runescape, by Jagex

Instructions:

-Open PDO file in Pepakura Viewer

-Select "Check Corresponding Faces" for assembly

-Print template on Letter (8.5"x11") cardstock (110 lb) paper

-Use regular glue for most pieces

-Use fast drying glue for connecting main parts together (head, legs, arms)

-Build sequence: Head, chest, arms, tail, legs, close at back

-Build spikes/toes/teeth from tip first

-Optional: Remove fold lines in Pepakura under "Other Settings" menu

For personal use only, enjoy!
