Blade Ranger

Disney Planes : Fire and Rescue

This week HBO plays Disney Plane : Fire and Rescue for the first time. My son who is a huge fan of Dusty is very happy right now. Whenever there is a replay he watch it over and over again. He collect or may I say I bought him die-cast model of Disney Planes character from the original movie, but he doesn't have any of the characters from Fire and Rescue. So I made this for him, and also Blade Ranger also requested by one of Paper Replika Friends on Facebook page. Blade Ranger is a captain of Piston Peak Air Attack, it is a Fire and Rescue squad. Dusty is sent by an old fire truck, I don't remember his name, to meet and to be trained by Blade Ranger to become a certified fireman.
