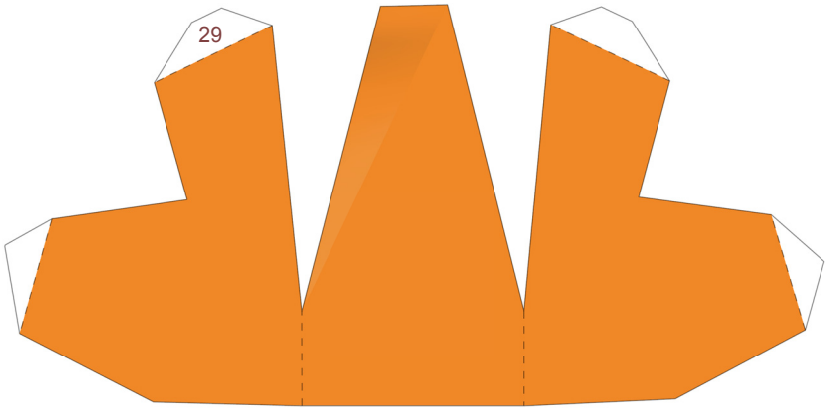
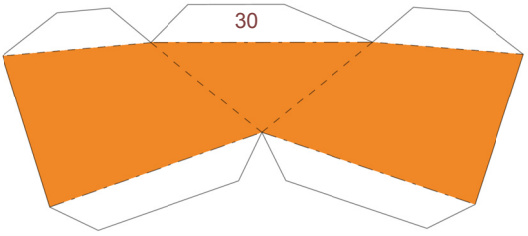
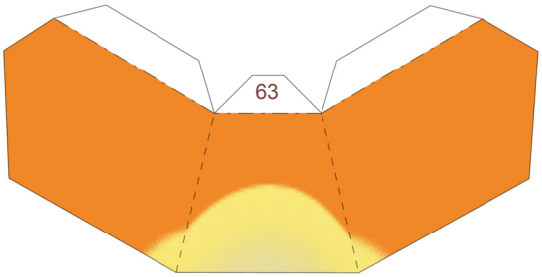
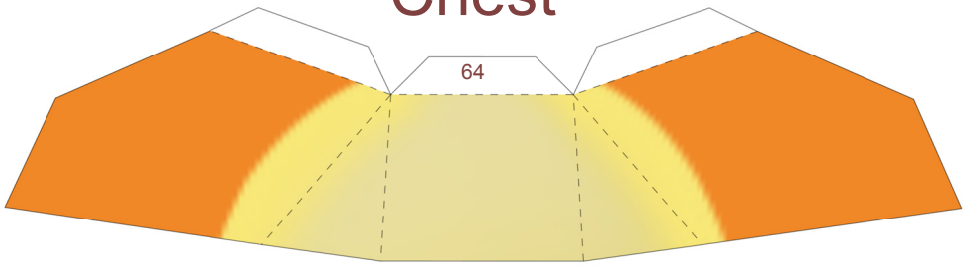
Back

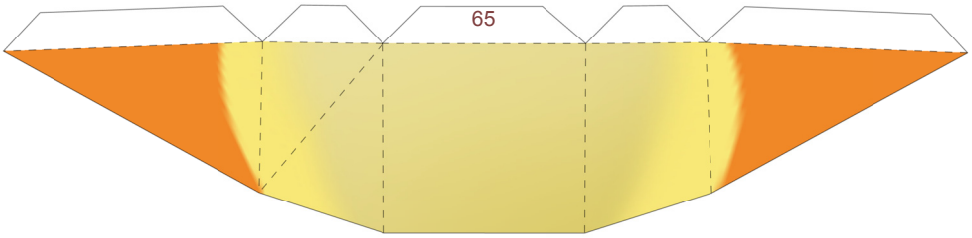






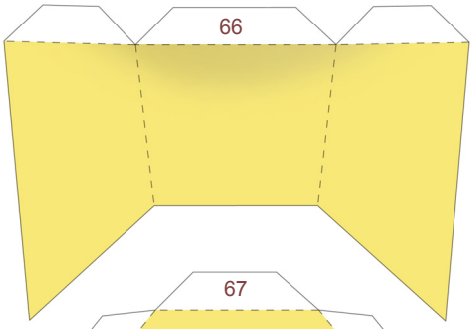
Chest

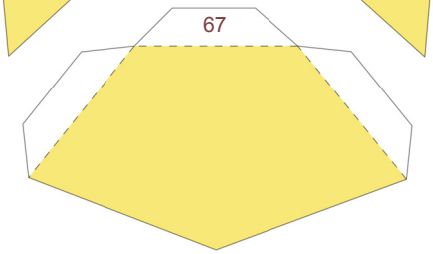


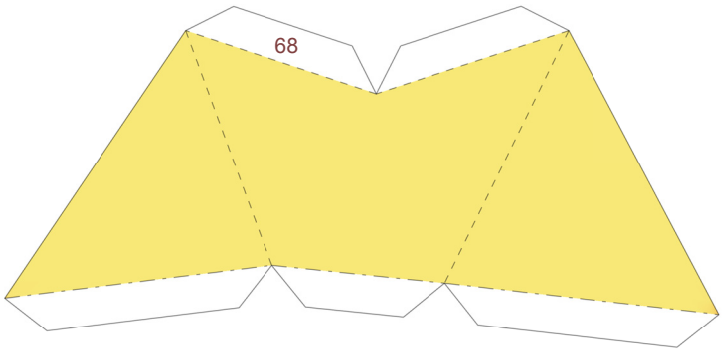


Belly

Glue counterweight here -->





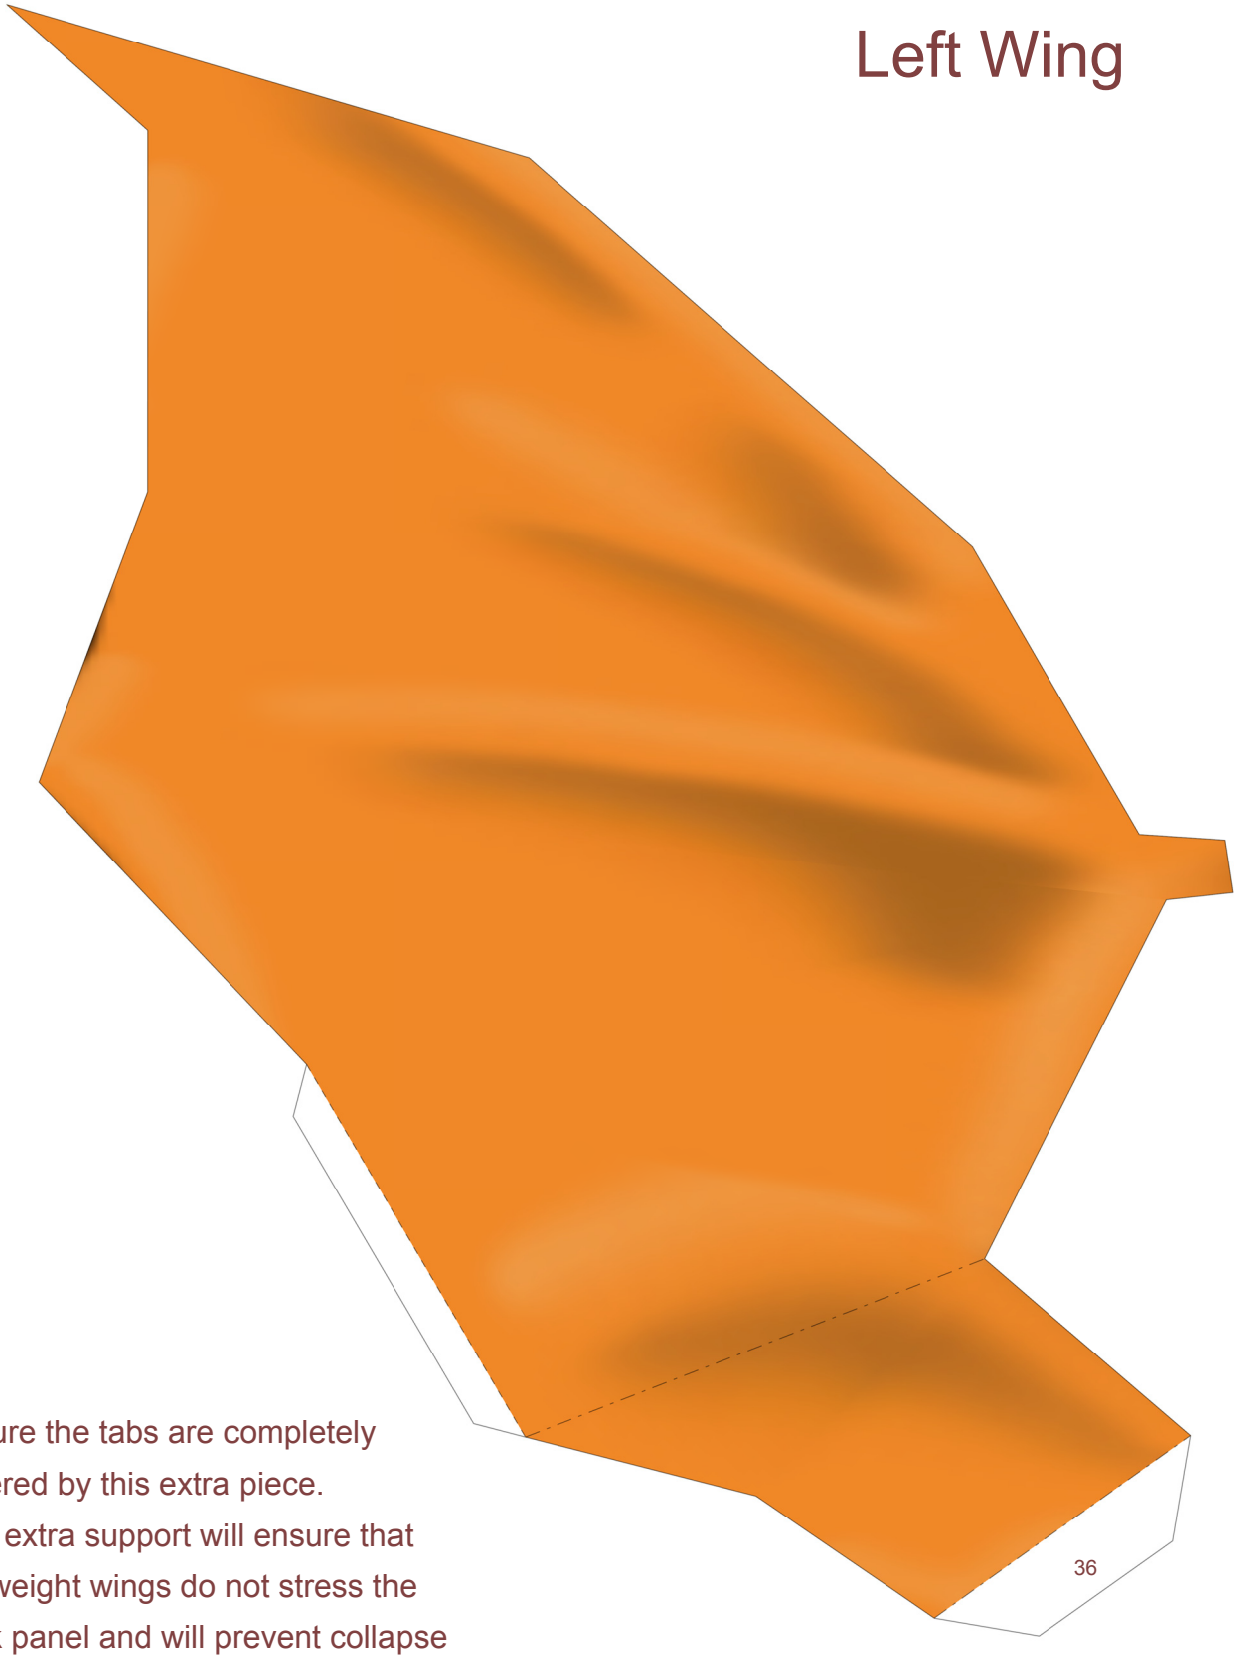


Front of
Right Wing
32
31

Back of Right Wing

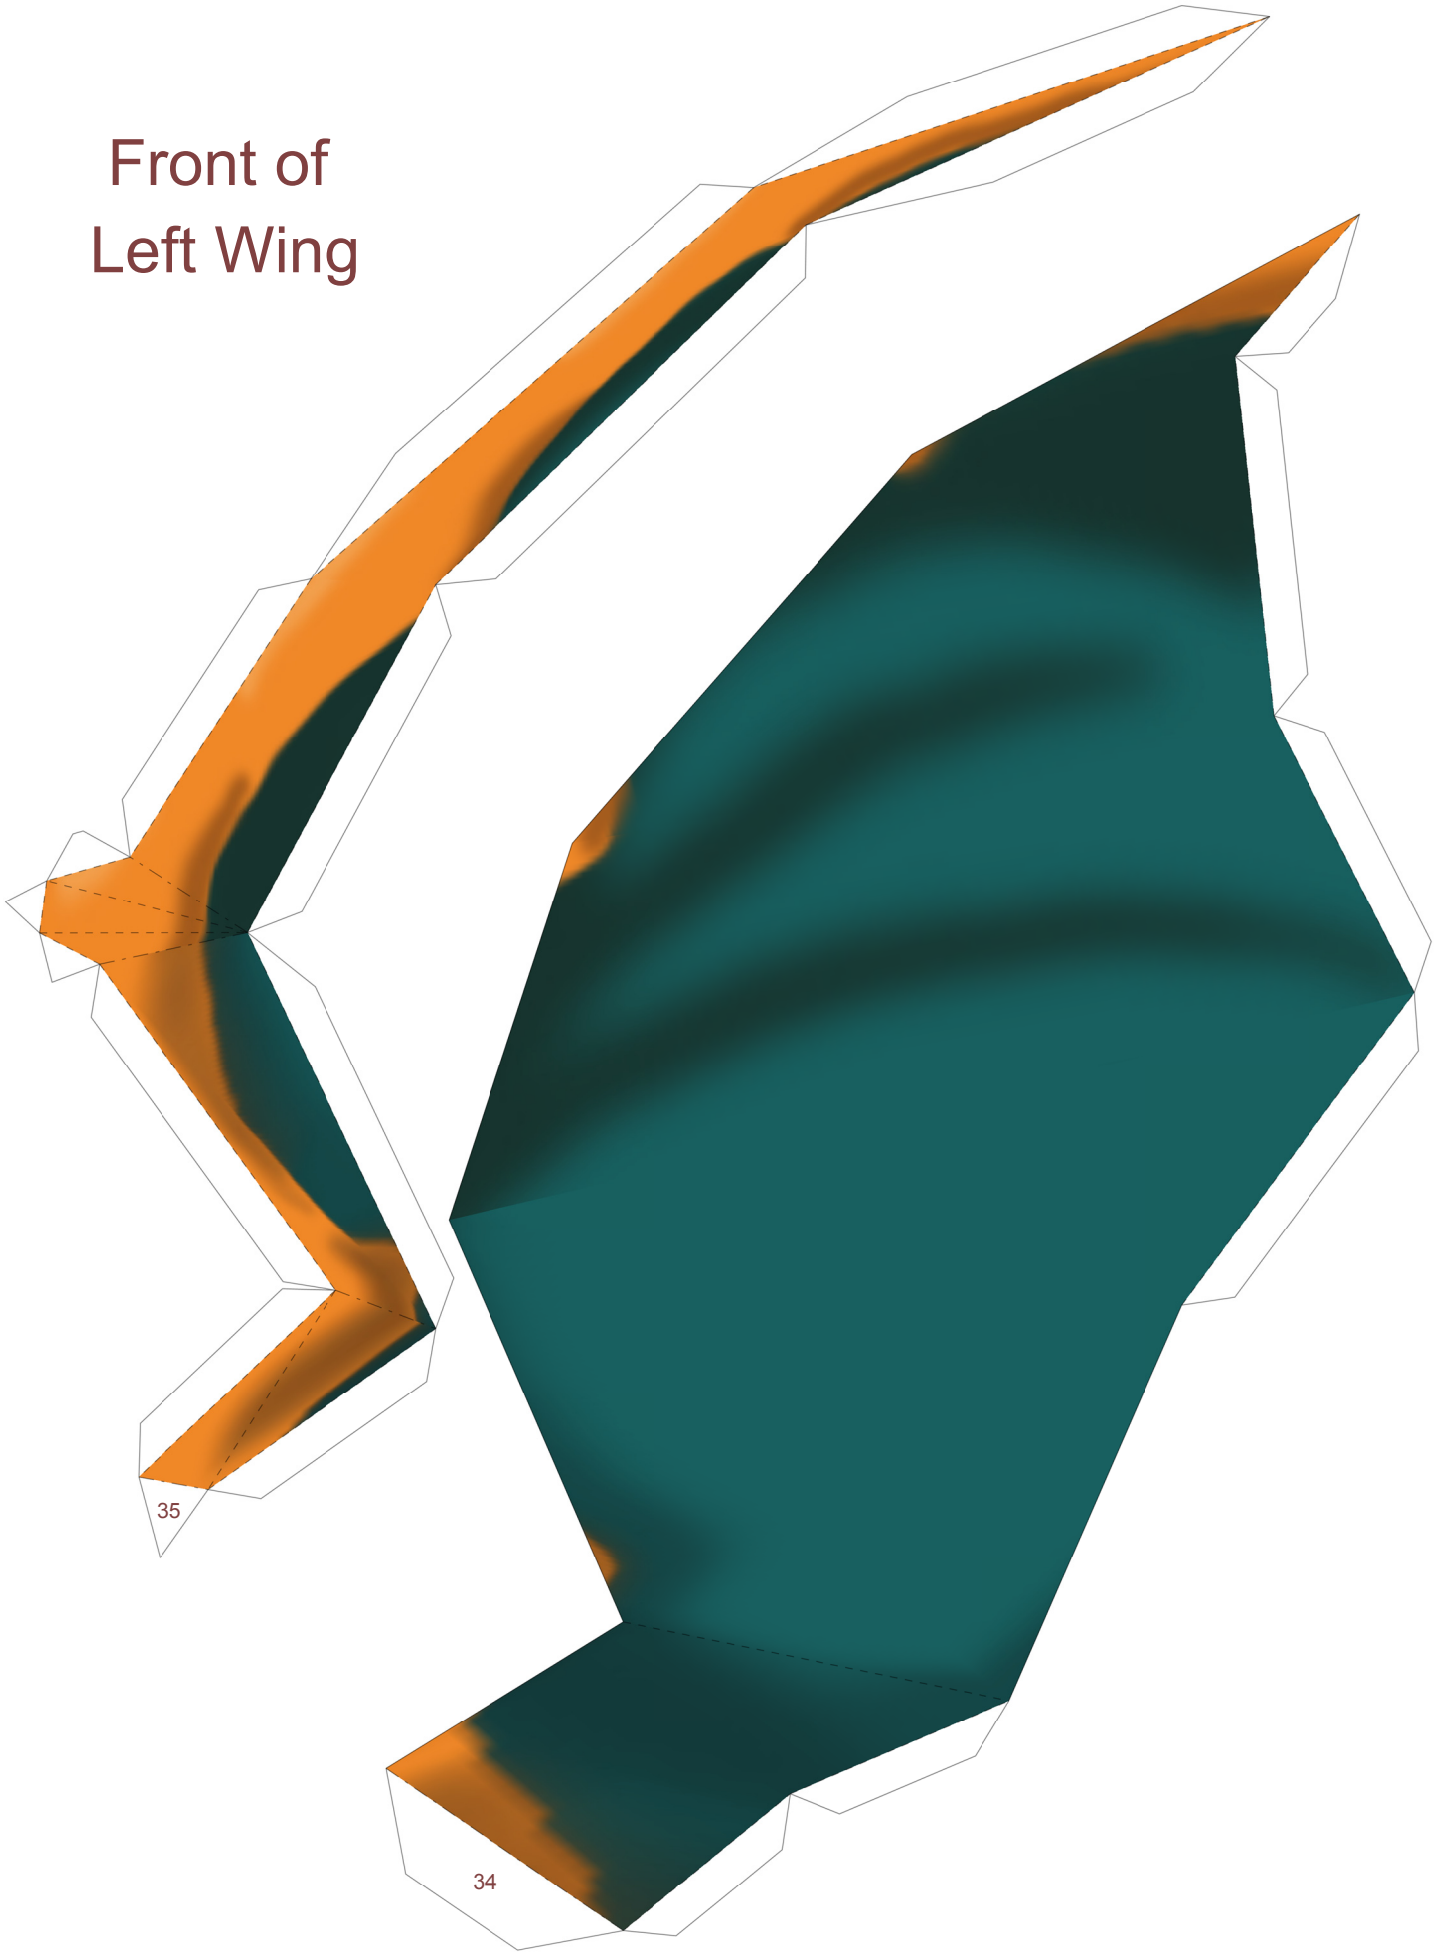
When you have attached both wings to the model, reinforce this section by gluing a piece of ~200gsm paper over the inside of the back as a support

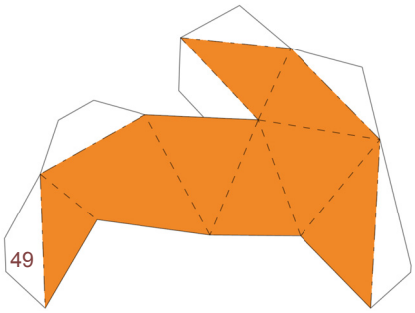
Back of Left Wing

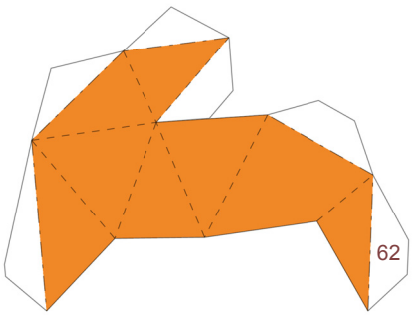


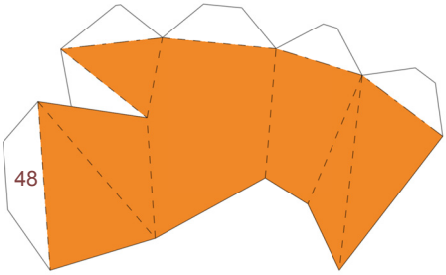
Ensure the tabs are completely covered by this extra piece.
This extra support will ensure that the weight wings do not stress the back panel and will prevent collapse

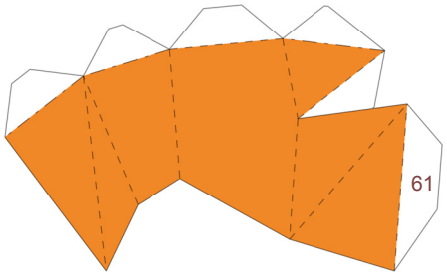
Front of Left Wing

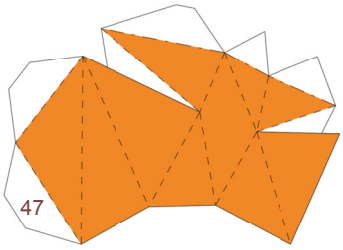


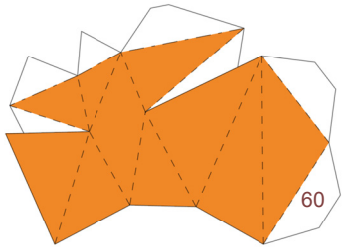


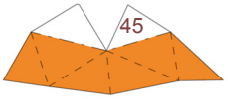


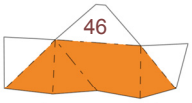


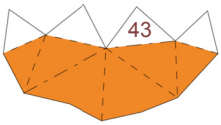


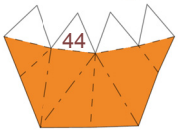


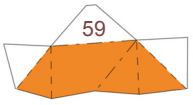


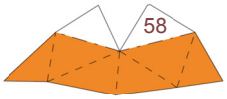


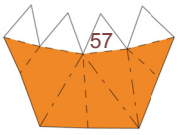


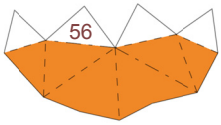




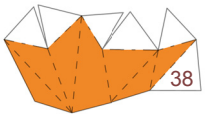


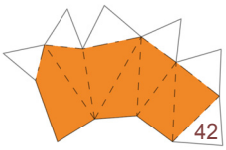


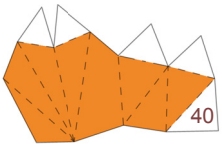


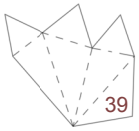


Right Arm

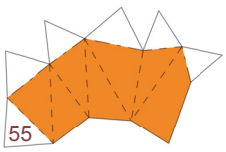


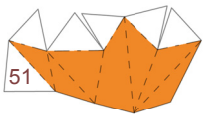


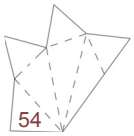


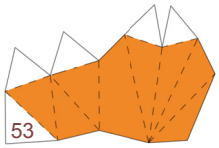


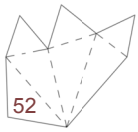
Left Arm





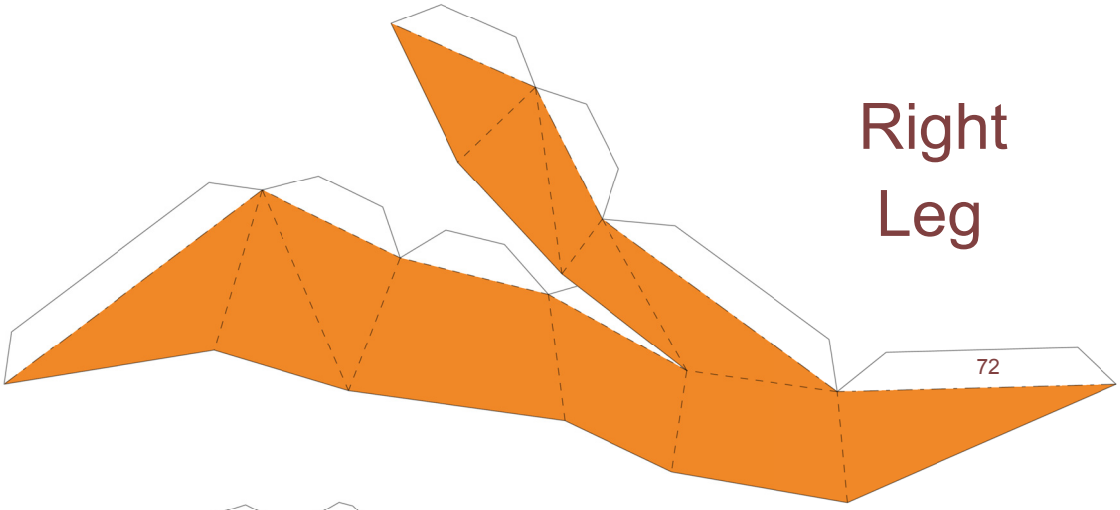


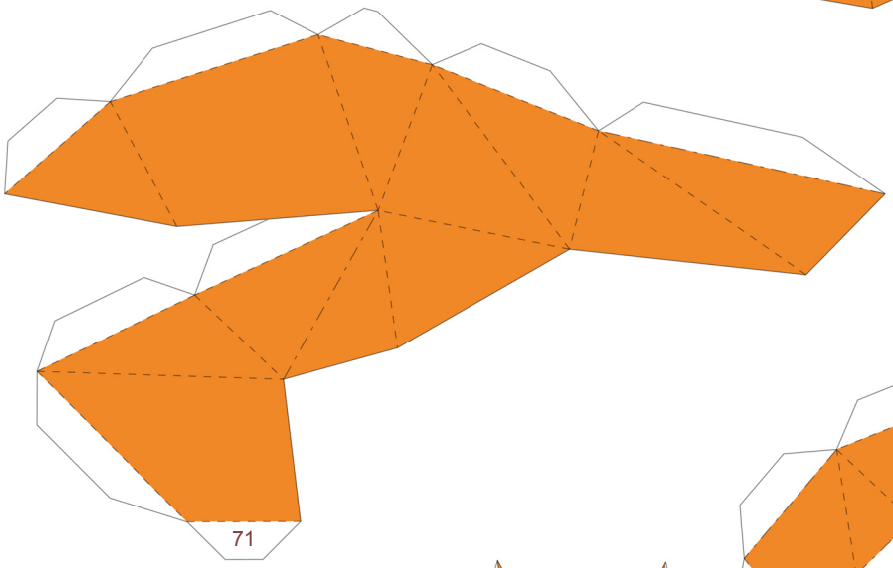


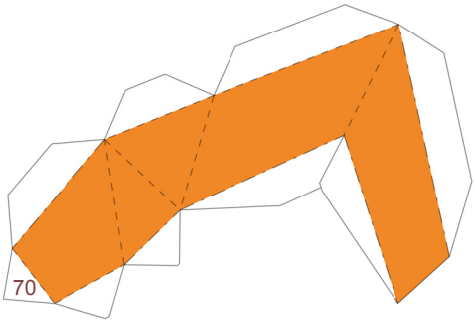


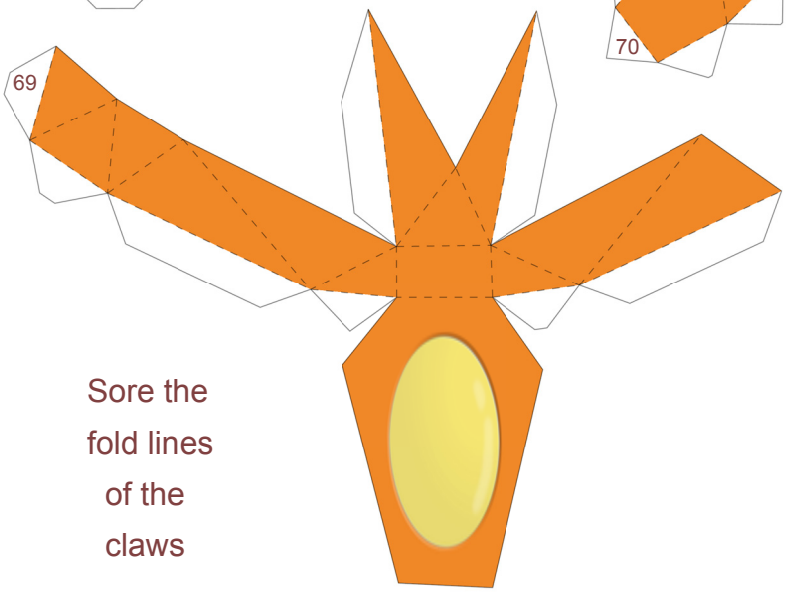
You will have to score the fold lines on the claws fingers and palms

Right Leg

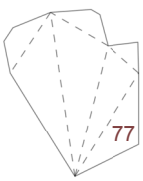


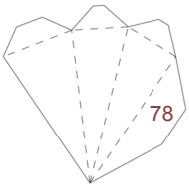


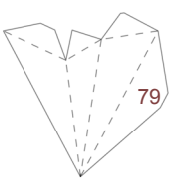




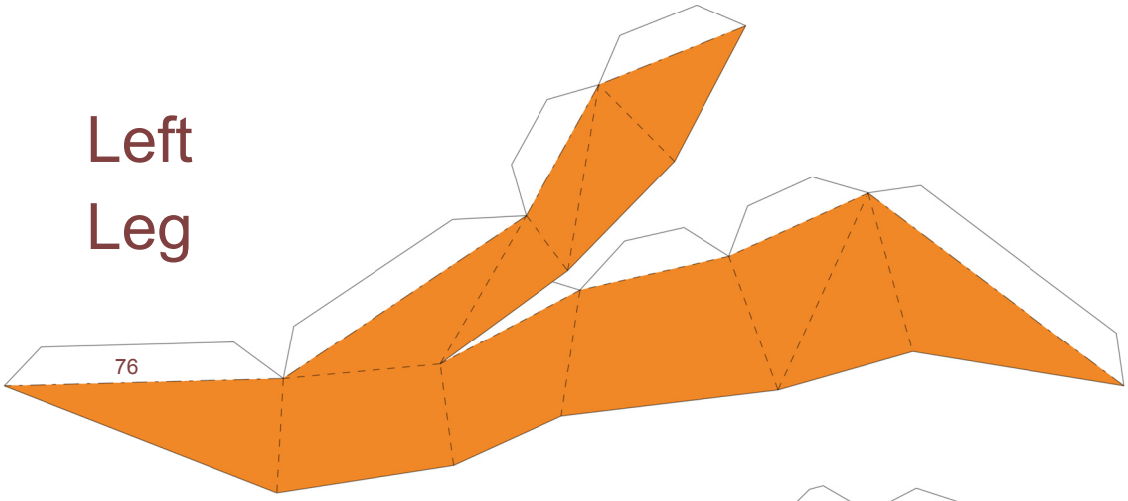
Sore the fold lines of the claws

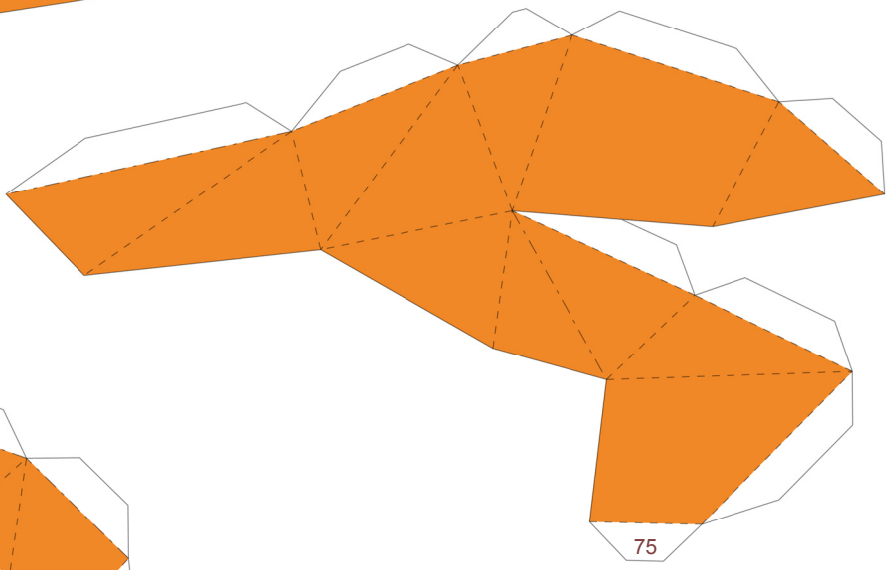


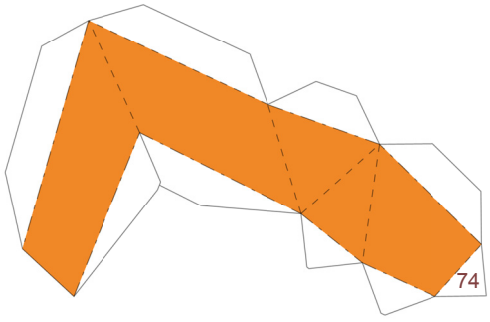


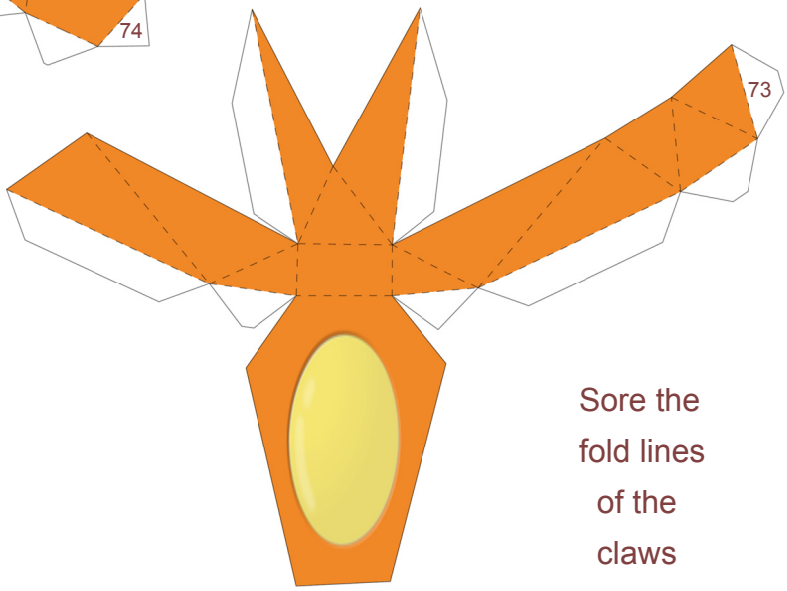


Left Leg

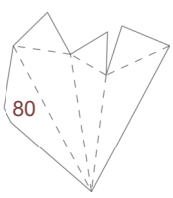


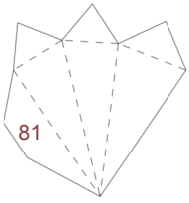


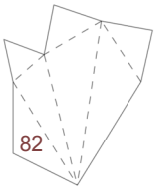




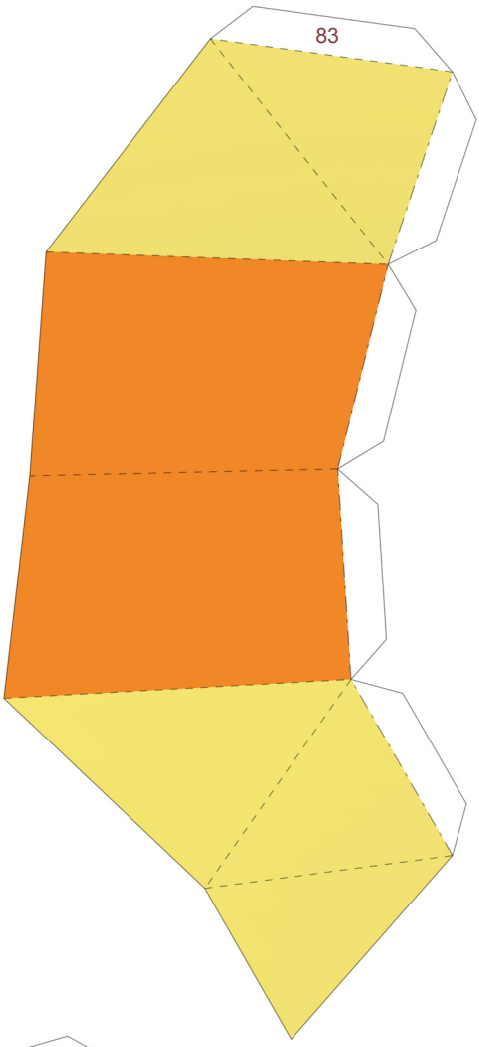
Sore the fold lines of the claws

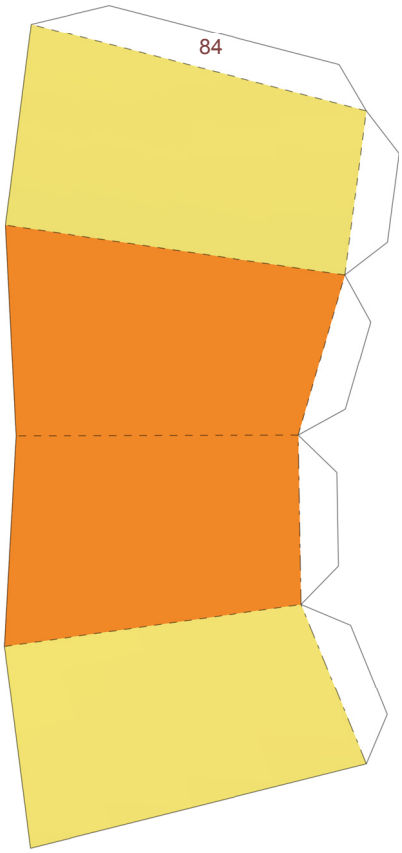


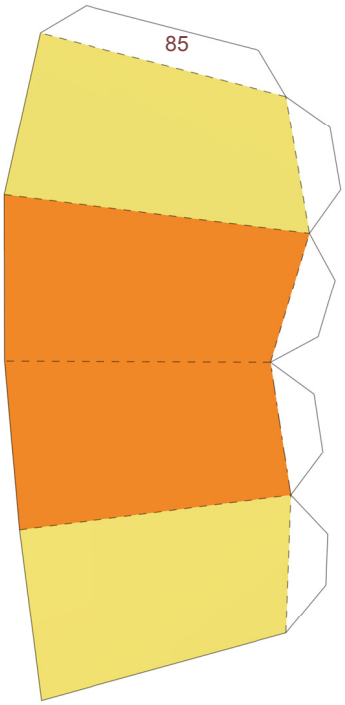




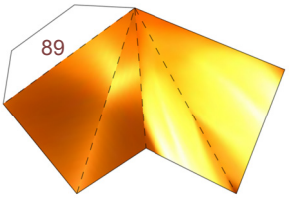
Tail

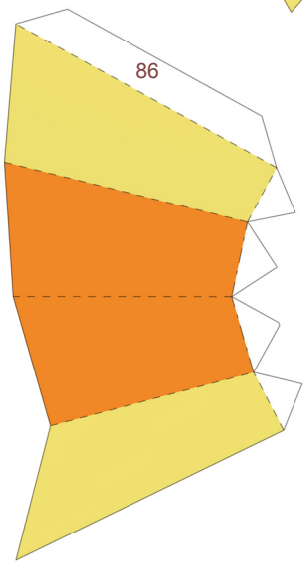


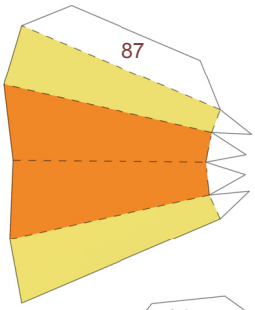


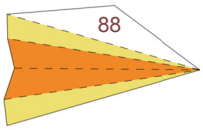


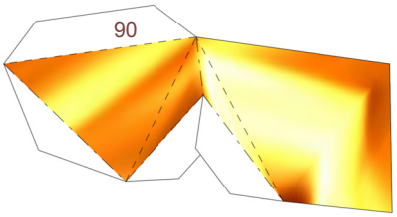
Score the fold lines
of the tail flame

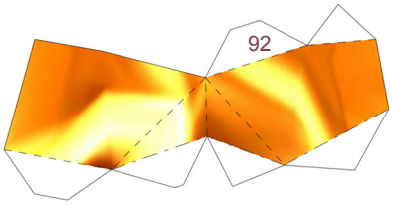


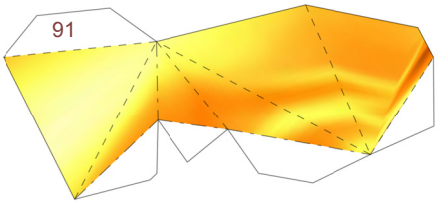


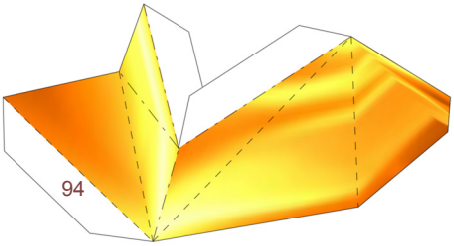


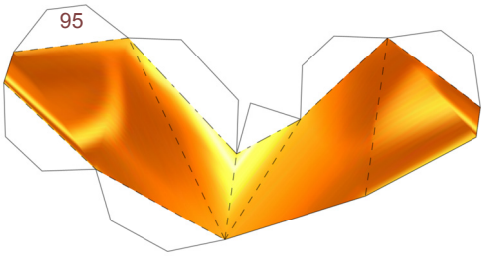


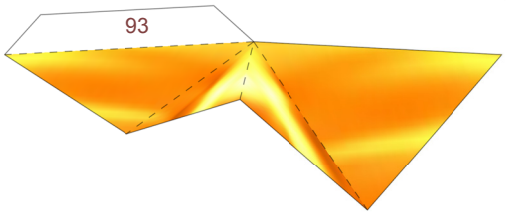












Flame
