LIBERTY SHIP
S.S. JEREMIAH O'BRIEN
1/700 SCALE MODEL KIT

"Today in the face of this newest and greatest challenge of them all,
we of the United Nations have cleared our decks and taken on battle stations.
It is the will of the people that America shall deliver the goods.
It can never be doubted that the goods will be delivered by this nation,
which believes in the tradition of
DAMN THE TORPEDOES; FULL SPEED AHEAD!"

-Franklin D. Roosevelt
