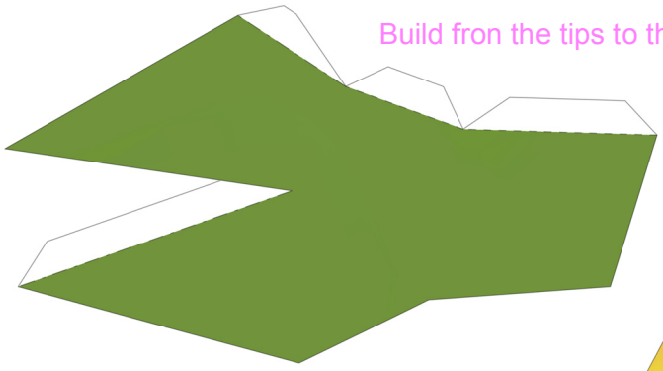
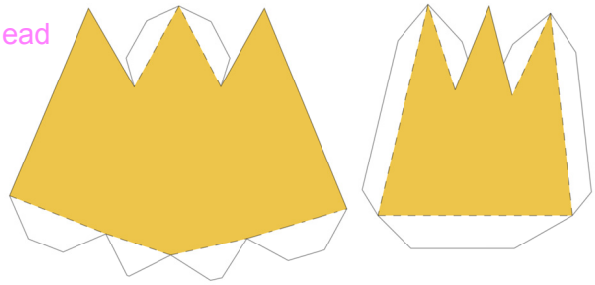
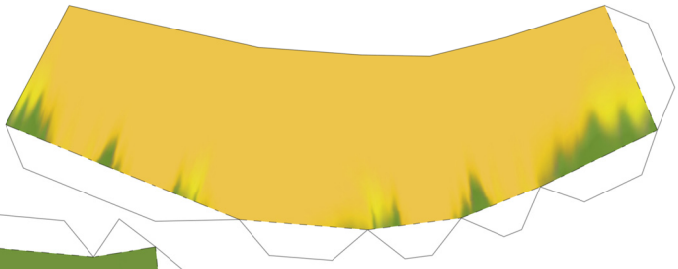
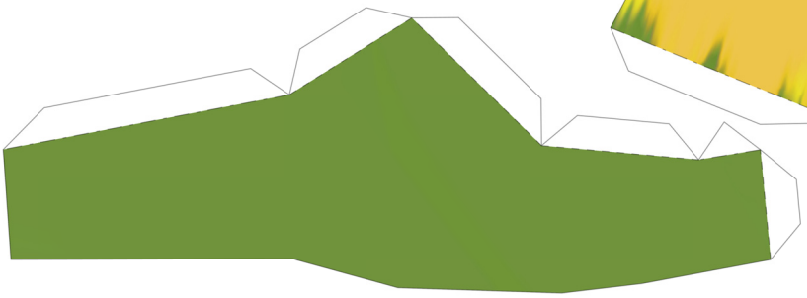
Build fron the tips to the head

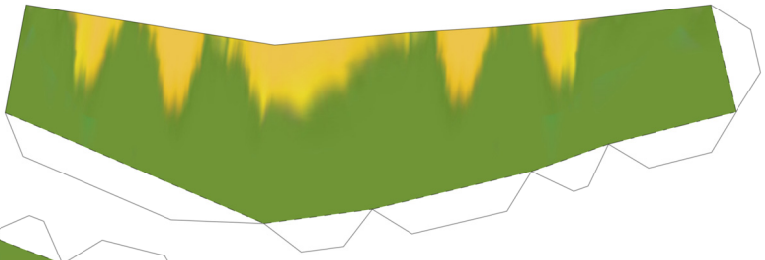


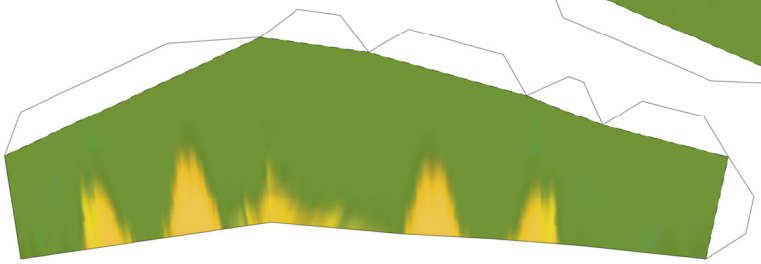




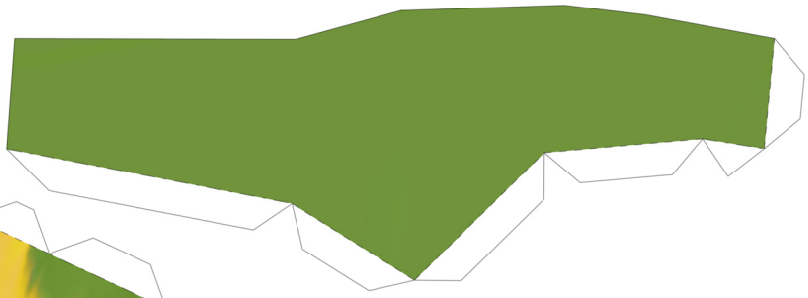


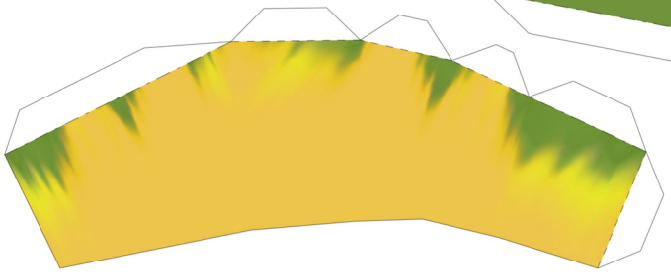
Right Front
Dreadlock

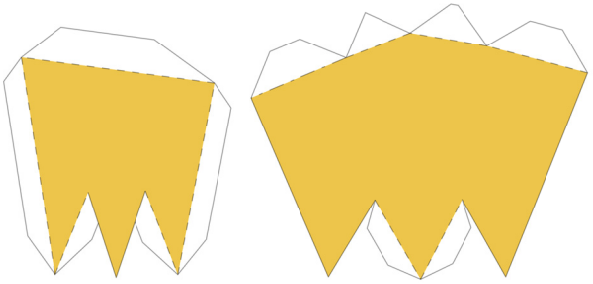


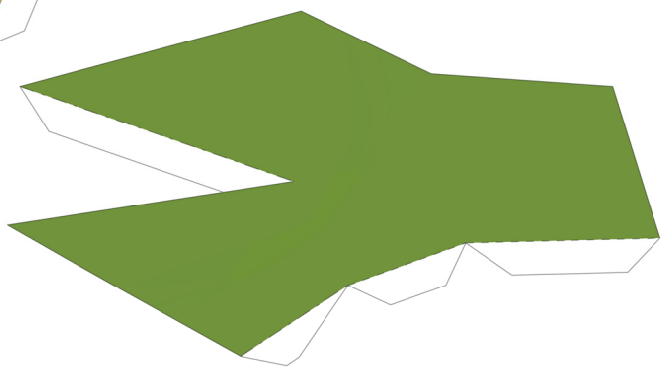


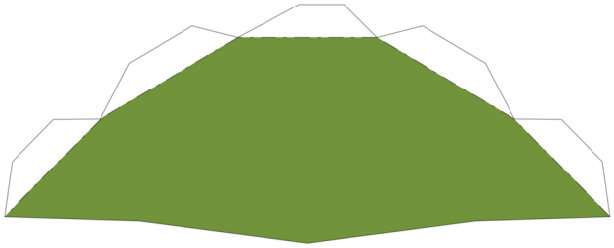
Left front
Dreadlock



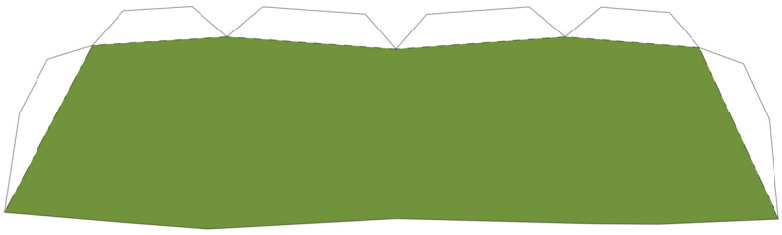


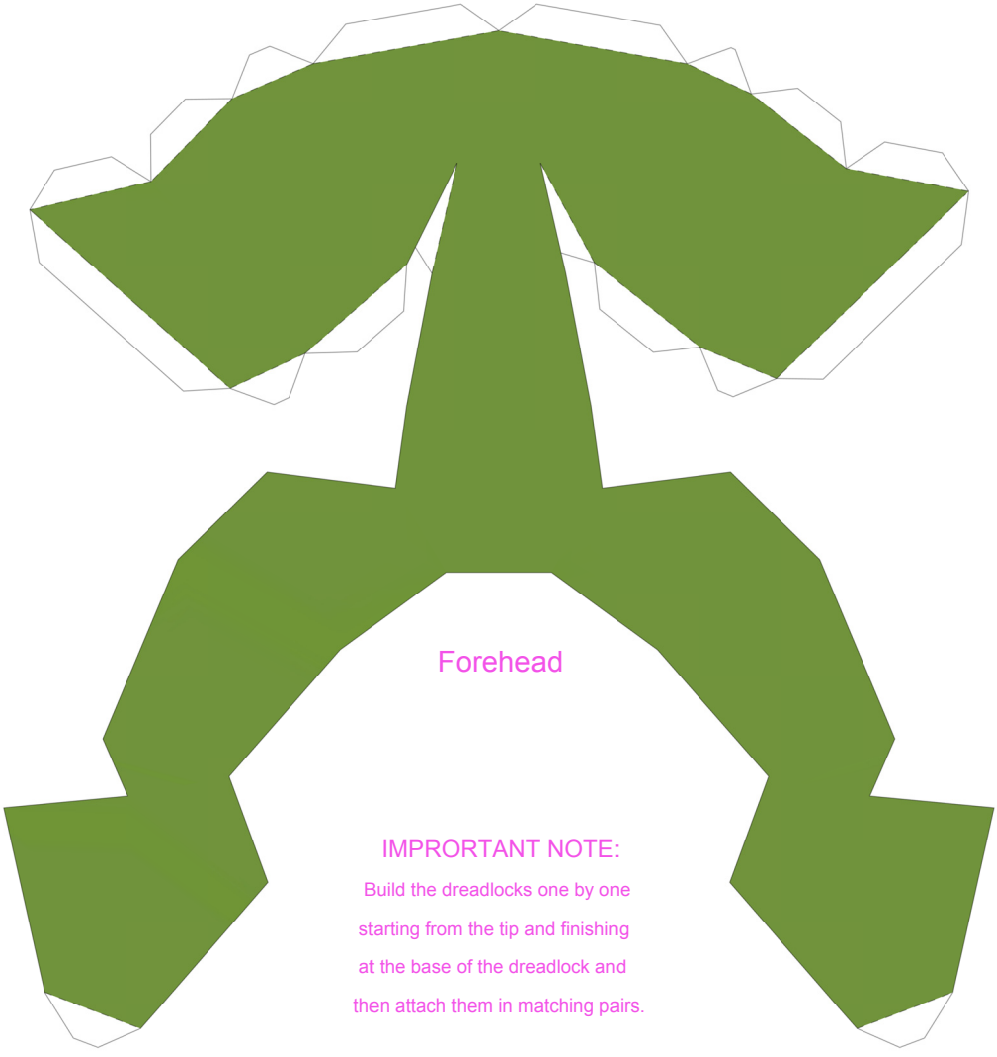






Top of Head



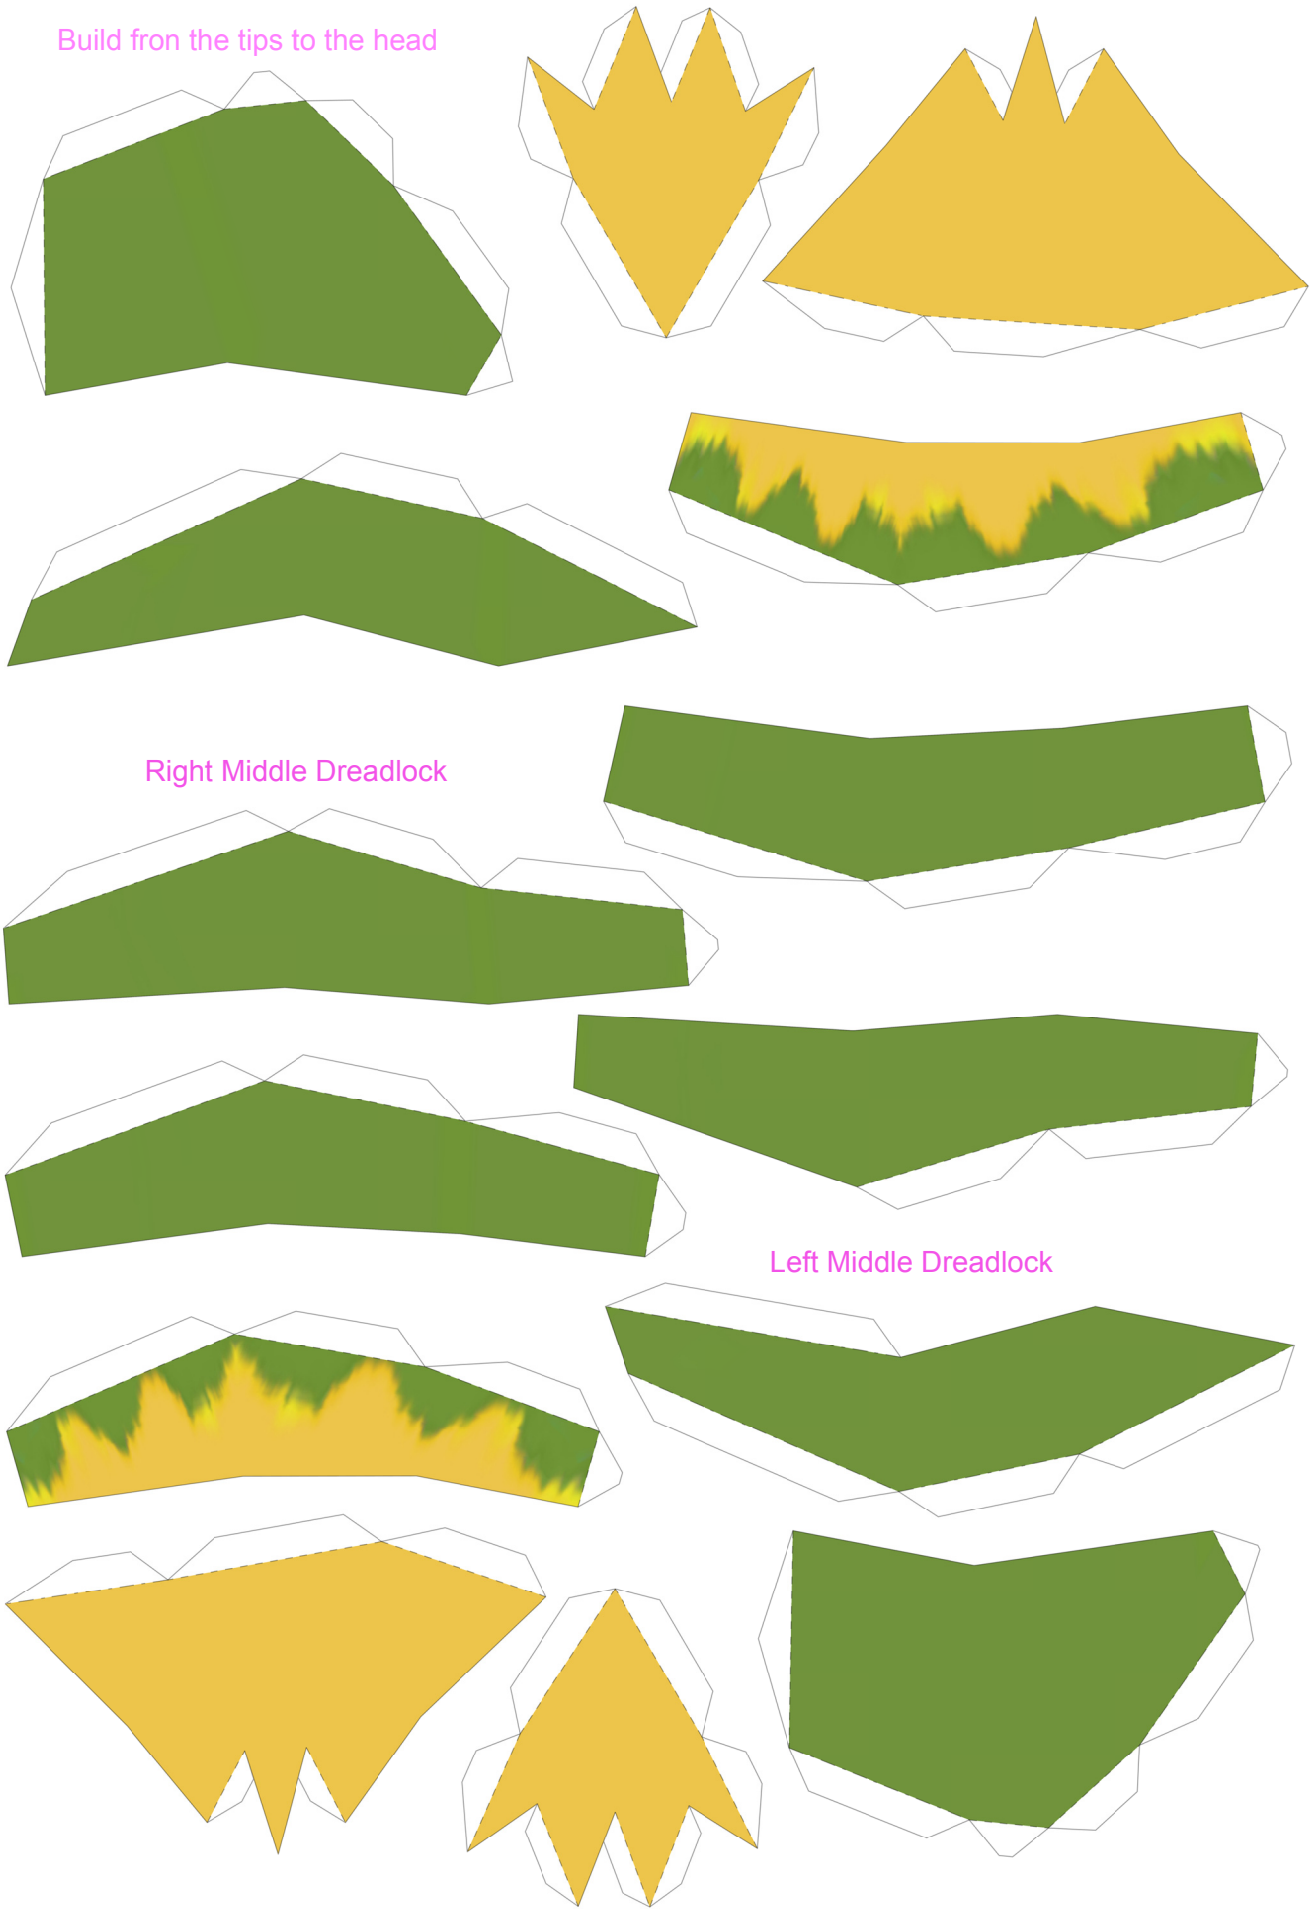


Forehead

IMPRORTANT NOTE:

Build the dreadlocks one by one
starting from the tip and finishing
at the base of the dreadlock and
then attach them in matching pairs.

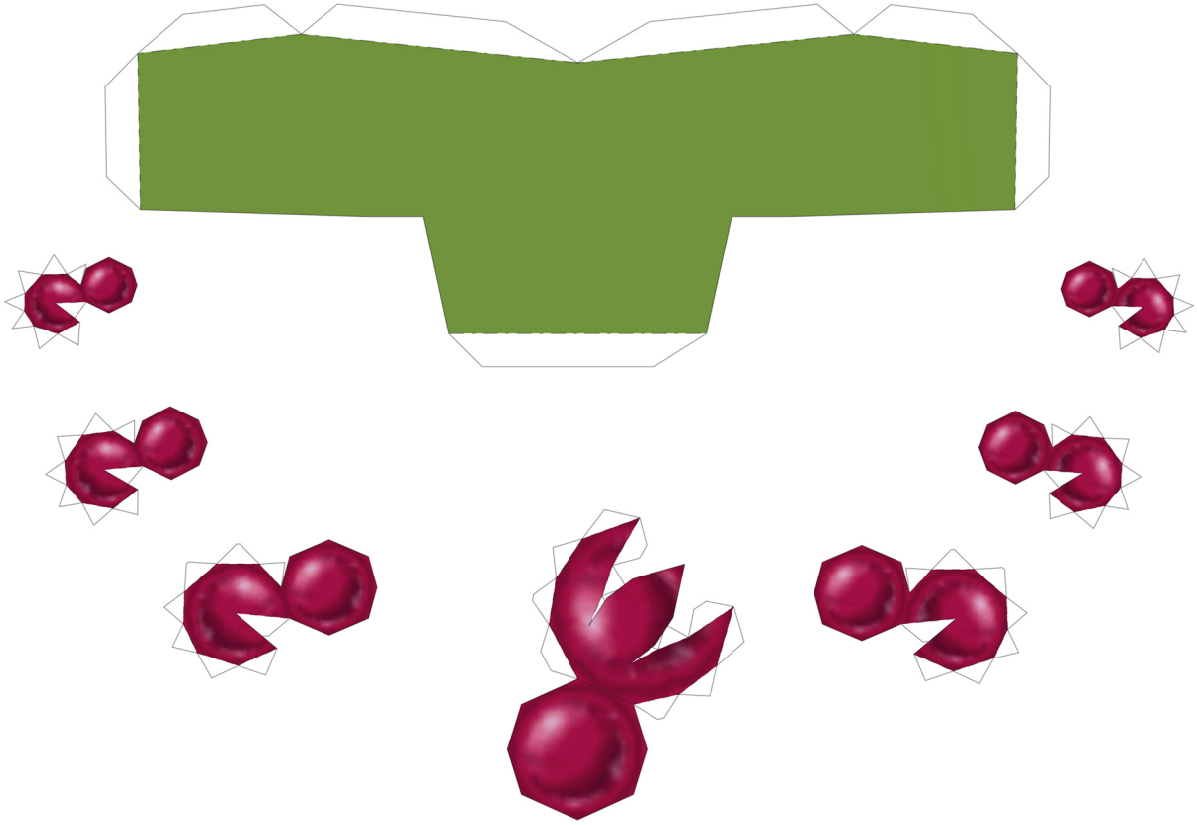
Build fron the tips to the head



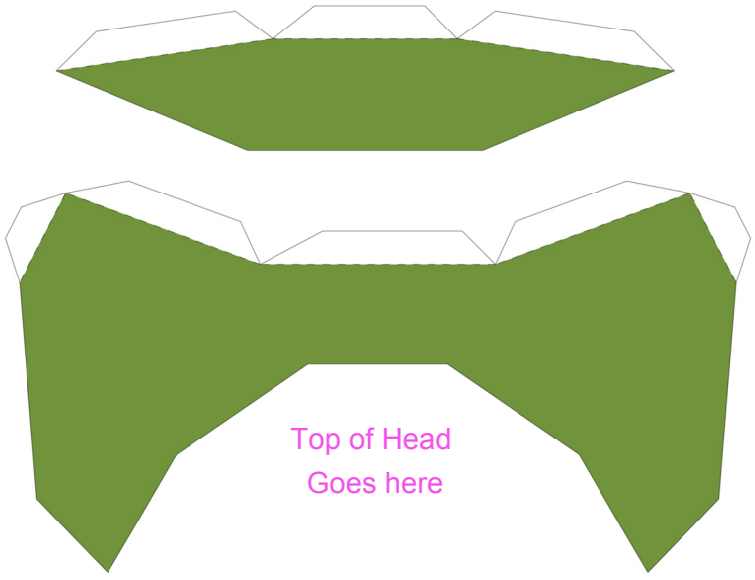
Right Middle Dreadlock

Left Middle Dreadlock

Base of Rear Dreadlocks



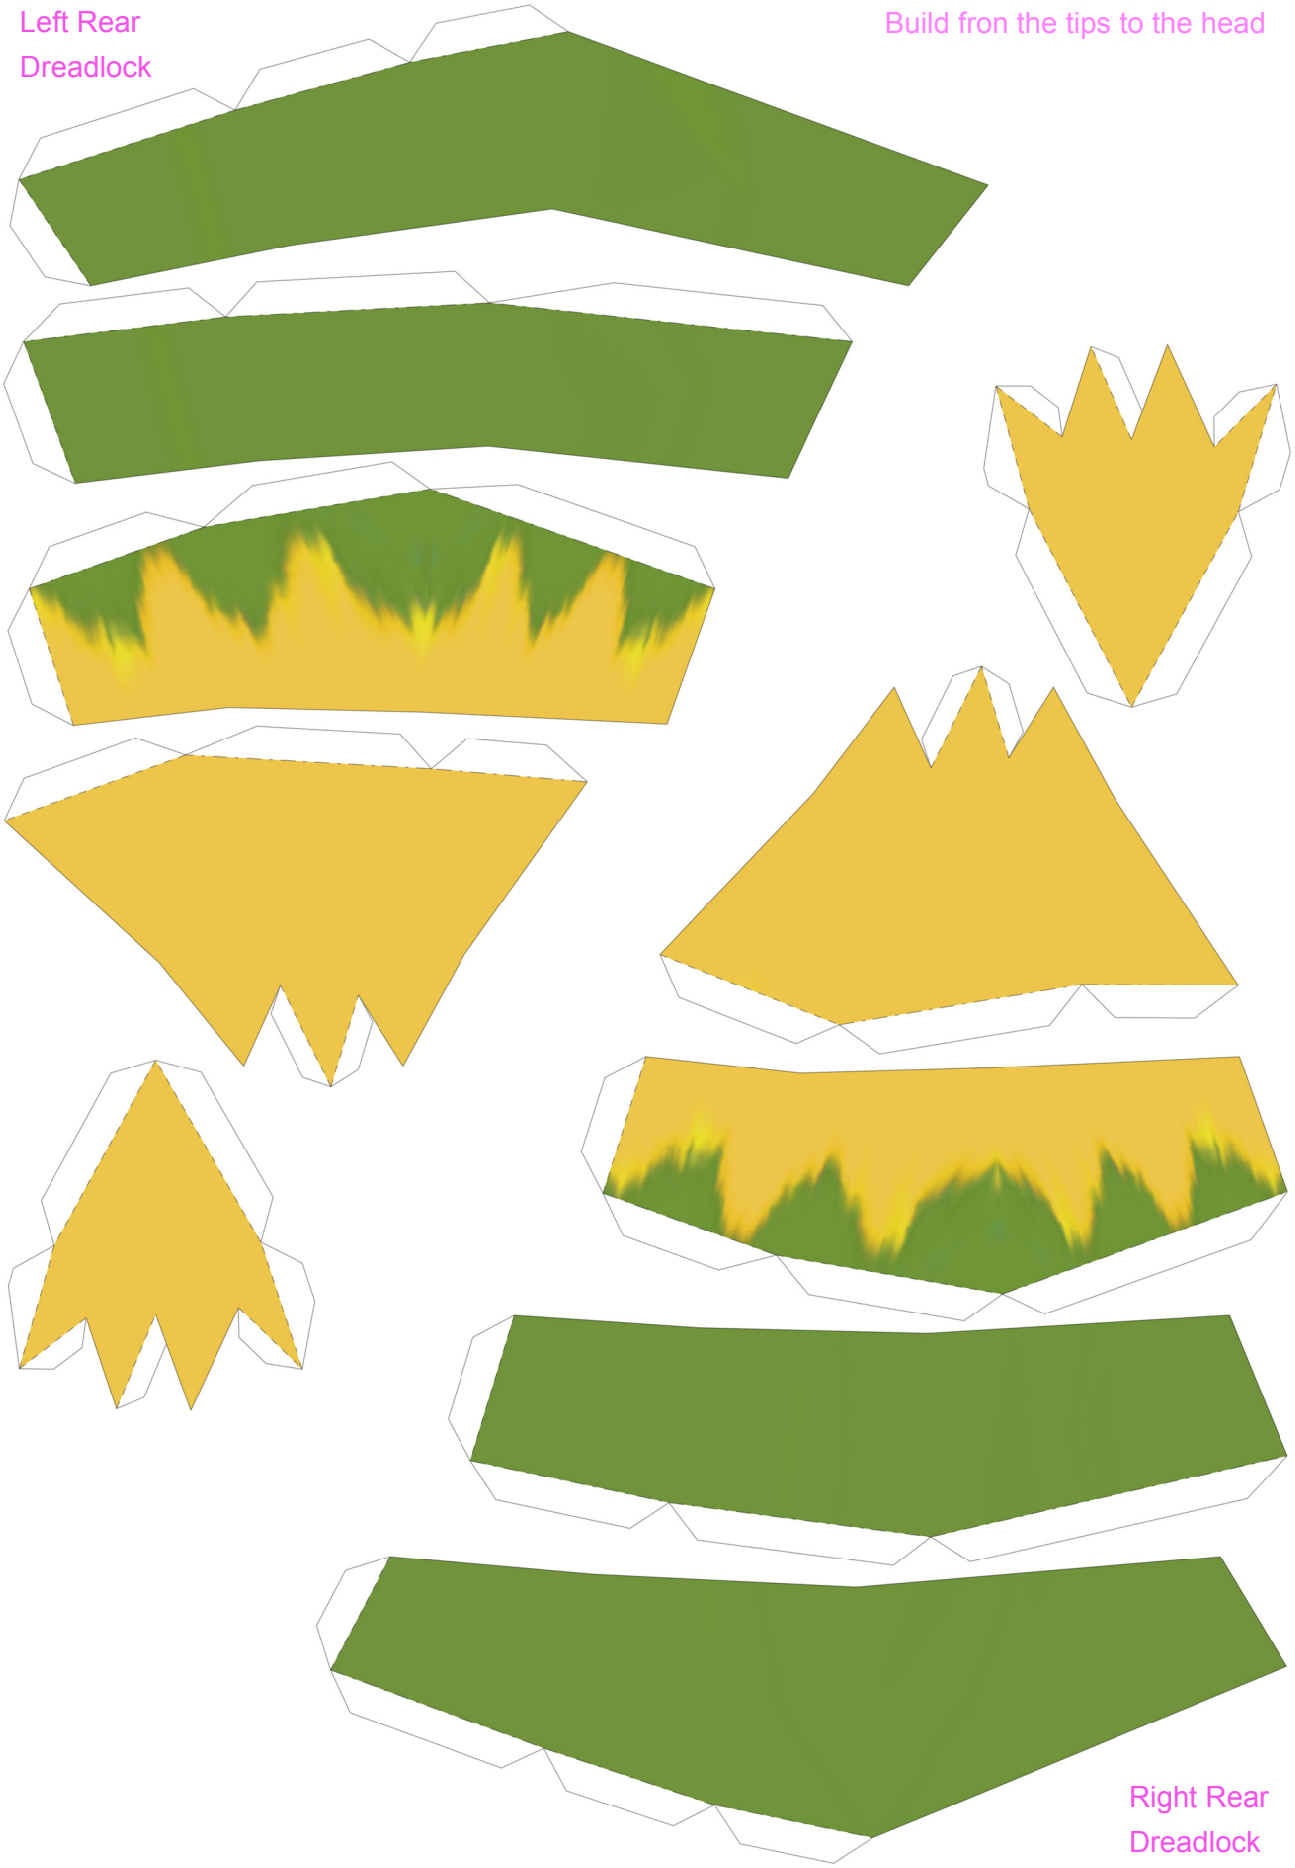
Top of Rear Dreadlocks



Top of Head
Goes here

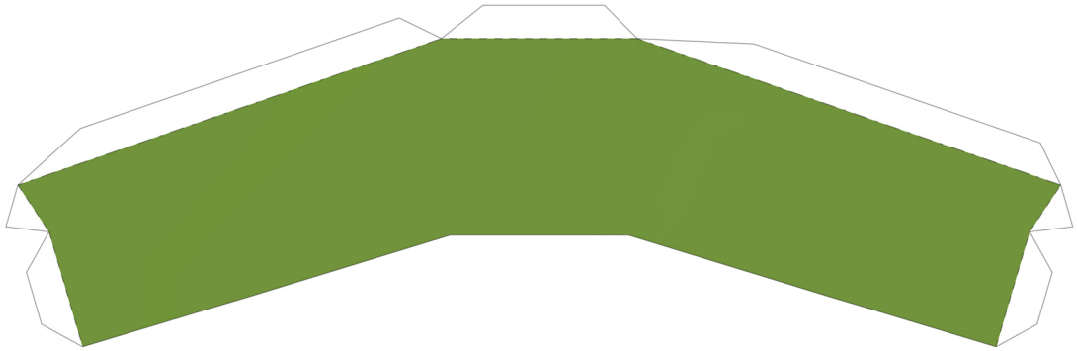
Left Rear
Dreadlock

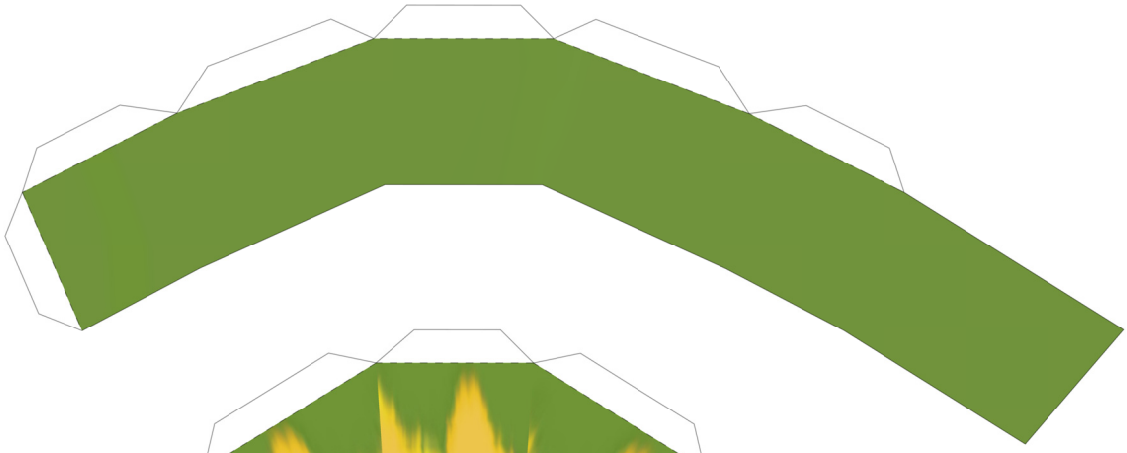
Build fron the tips to the head

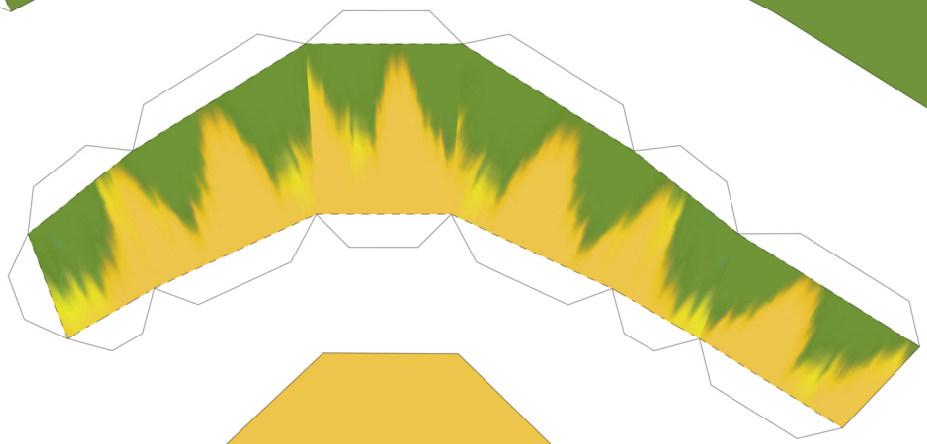


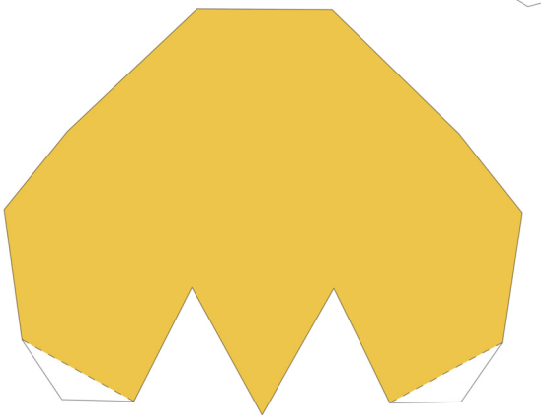
Right Rear
Dreadlock

Build this dreadlock from the head to the tip!!!









Close model here by building this tip
and popping it on the rest of the
final dreadlock with a generous
amount of glue.
