

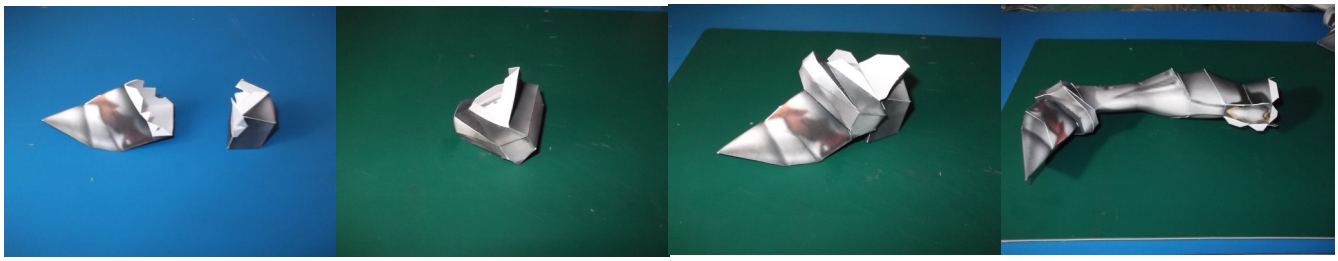
CECIL HARVEY PALADIN DS COSTUME

INSTRUCTIONS

WWW.THELASTTIMELINEAGAIN.BLOGSPOT.COM



Lets start with this new model CECIL HARVEY, first build the right foot (1-3), then build pieces (4-6) and attach them together.

Build pieces (7-15), use the flaps with red points to attach pieces (16, 17).

Trim the excess, then finish the leg (18-21), do the same for the left leg.

Use pieces (43, 44) to attach both legs together.

Now complete the body (45-65), then attach pieces (66-68), glue pieces (66, 67) on the red points.

Build the hand, first the fingers (67-72) then complete the hand (73, 74).

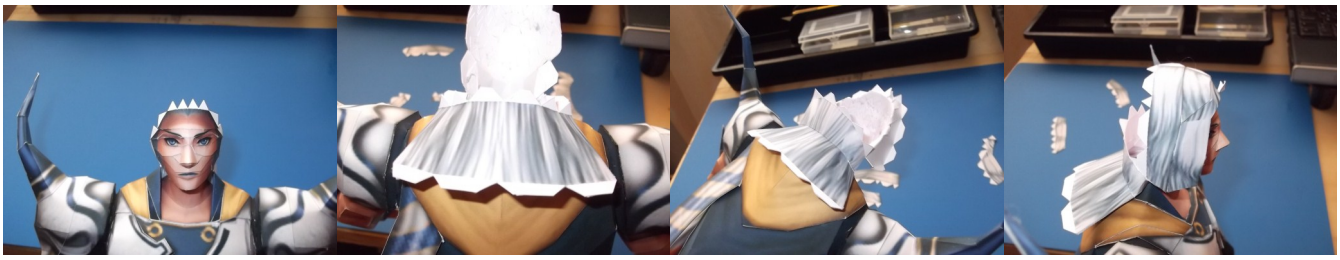
Glue pieces (75-81) then finish the arm (82-94) and attach to the body, do the same for the left arm.

Build the cape (122-127) but don' t glue the tips to attach it to the body.

Now build pieces (128-131) and attach to piece (68) on the red point.

Construct pieces (132-141) and attach on both sides of the waist.

Now build the neck (142-151).



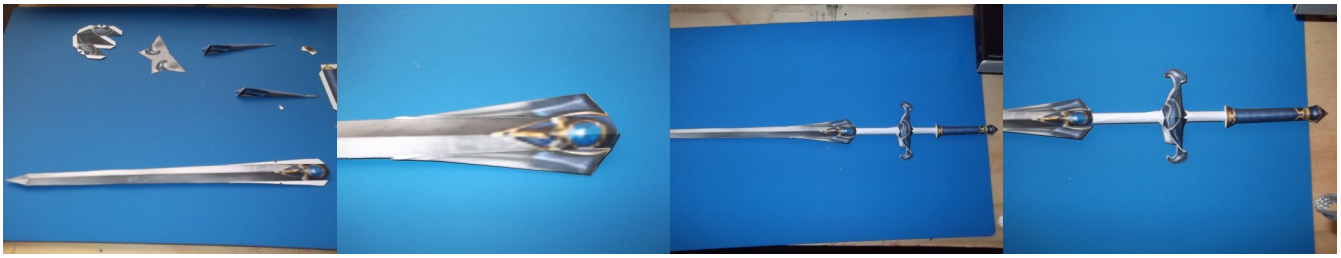
And here comes the difficult part, first the face (152-166), then the hair at the nape (167, 168) glue the red points together.

Attach pieces (169-171), then the right side of the hair (172-174).

Then glue the left side of the hair (175-177), take piece (178) and trim the excess to attach on piece (172) on the red points, finish the head (179-181)

Glue pieces (182, 183) and trimm the excess, don't glue the side who is gonna be attached to the head.

Attach to the head and glue all the details (184-196).



And at least the sword, first build pieces (197, 199), glue the red points together.

Use the red points flaps to attach pieces (200, 201).

Now build pieces (202-208) as you can see I have rolled a paper sheet to give stability inside the sword.
