DISSIDIA FINAL FANTASY

ZIDANE TRIBAL

SHOES

This is very simple. Just construct parts 1-10 and repeat for left shoe.

LEGS

1. Construct parts 21-26 and repeat with 27-32 to make the legs. Glue the shoes to them.
2. Then glue parts 33, 34 and 35 to join the legs.

TAIL

1. Construct 154-160 to make the tail. Then glue the tail to the opening in his pants.

BELT

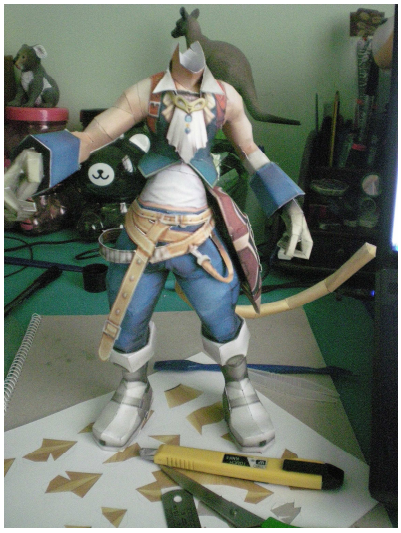
1. Construct parts 36-40, double siding where necessary. Refer to the PDO if it gets confusing.
2. Then, apply some glue to the front part of the belt and glue it to the pants.

SHIRT

1. Glue parts 41-42 to the pants.
2. Double side parts 44-52 and glue them to part 43.
3. Then, insert them into part 42.
4. Finally, construct part 53-57.

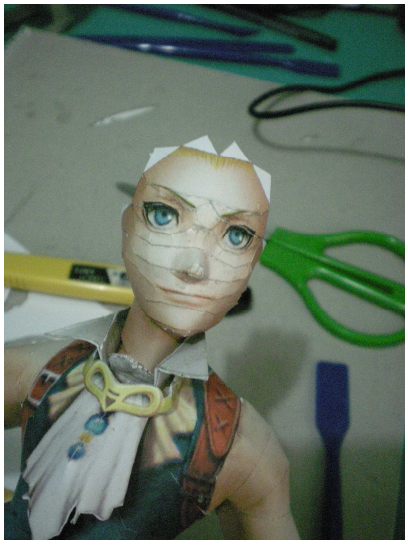
ARMS & SHIELD

1. Construct parts 59-71 and repeat with 82-94 to make the hands.
2. Then, make parts 72-74 and 95-97 and glue the hands to them.
3. Finally, make parts 75-81 and 98-104 for the arms and glue the gloves to it.
4. To make the shield, construct 58 and 112 and glue it to the body.
5. Glue the arms to the body.



HEAD

1. First, glue part 113.
2. Then, construct parts 105-111 for the collar, double siding and trimming where necessary.
3. Finally, construct parts 114-128 to make the face.

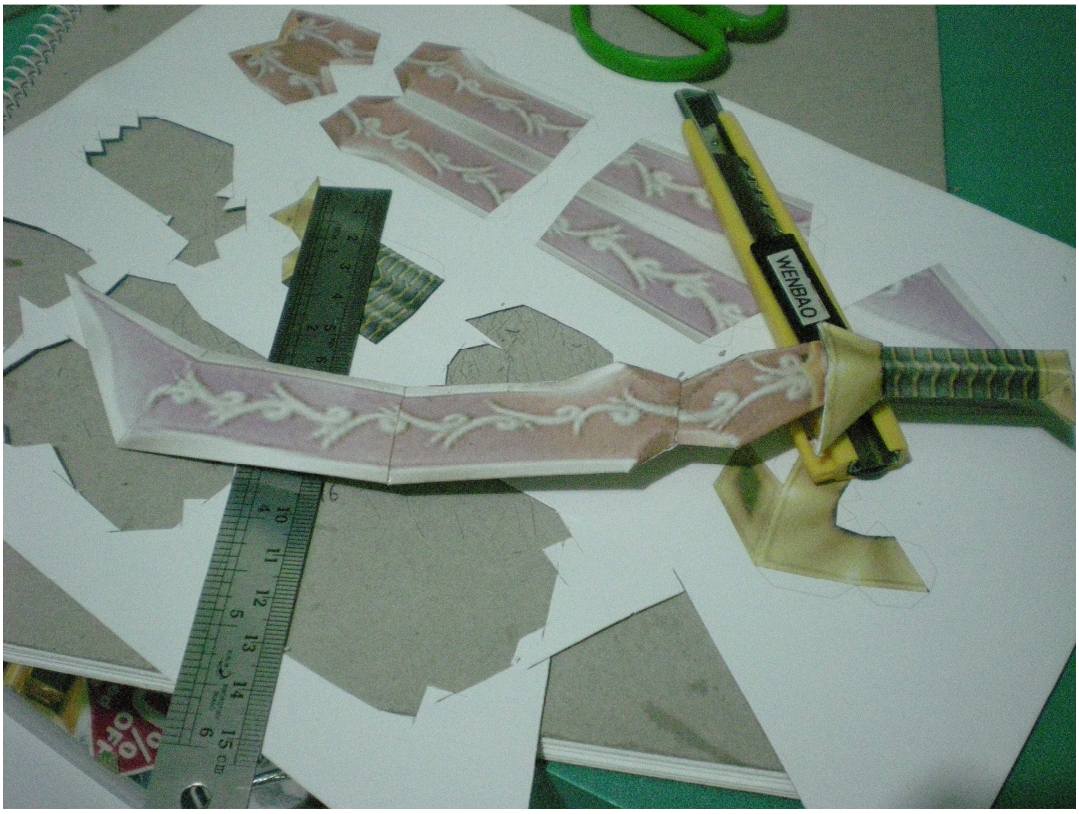


HAIR

1. Make 129 and 130.
2. Then, construct 131-133 to make the ponytail.
3. Construct part 134-147 to make the spiky parts.
4. Then, attach part 148.
5. Finally, construct parts 149-153 to complete the hair.

DAGGERS

1. Construct parts 161-166 and repeat with parts 167-172 to make both daggers.
2. Glue them to the hands (you may have to squeeze them in).
3. Finally, glue the unlabelled accessories to the daggers.



Now, the thief is ready to steal. Watch out for pretty thong-wearing men.
