Fuleco the Armadillo

FIFA World Cup Mascot 2014

While friends in United States have fun with their football match on superbowl, this paper craft is also related to football :). Perhaps it's too early because FIFA World Cup is still a half year ahead in Brazil, but I just found out Fuleco the FIFA World Cup 2014 Mascot, was firstly announced to the public in 25 November 2012, so I think it's alright to release it now. Fuleco means Football and Ecology. I often see this Fuleco on many ads on products which sponsored this big event for football lovers and especially our friends in Brazil. The template itself is only 2 pages, the parts are quite easy to assembly.
