These two parts are optional

The Head can be attached directly on to the Body, using the Tabs at base of the Head section. Alternatively, attach Part X to the base of the head & Part Y to the top of the Body, then glue the two sections together.

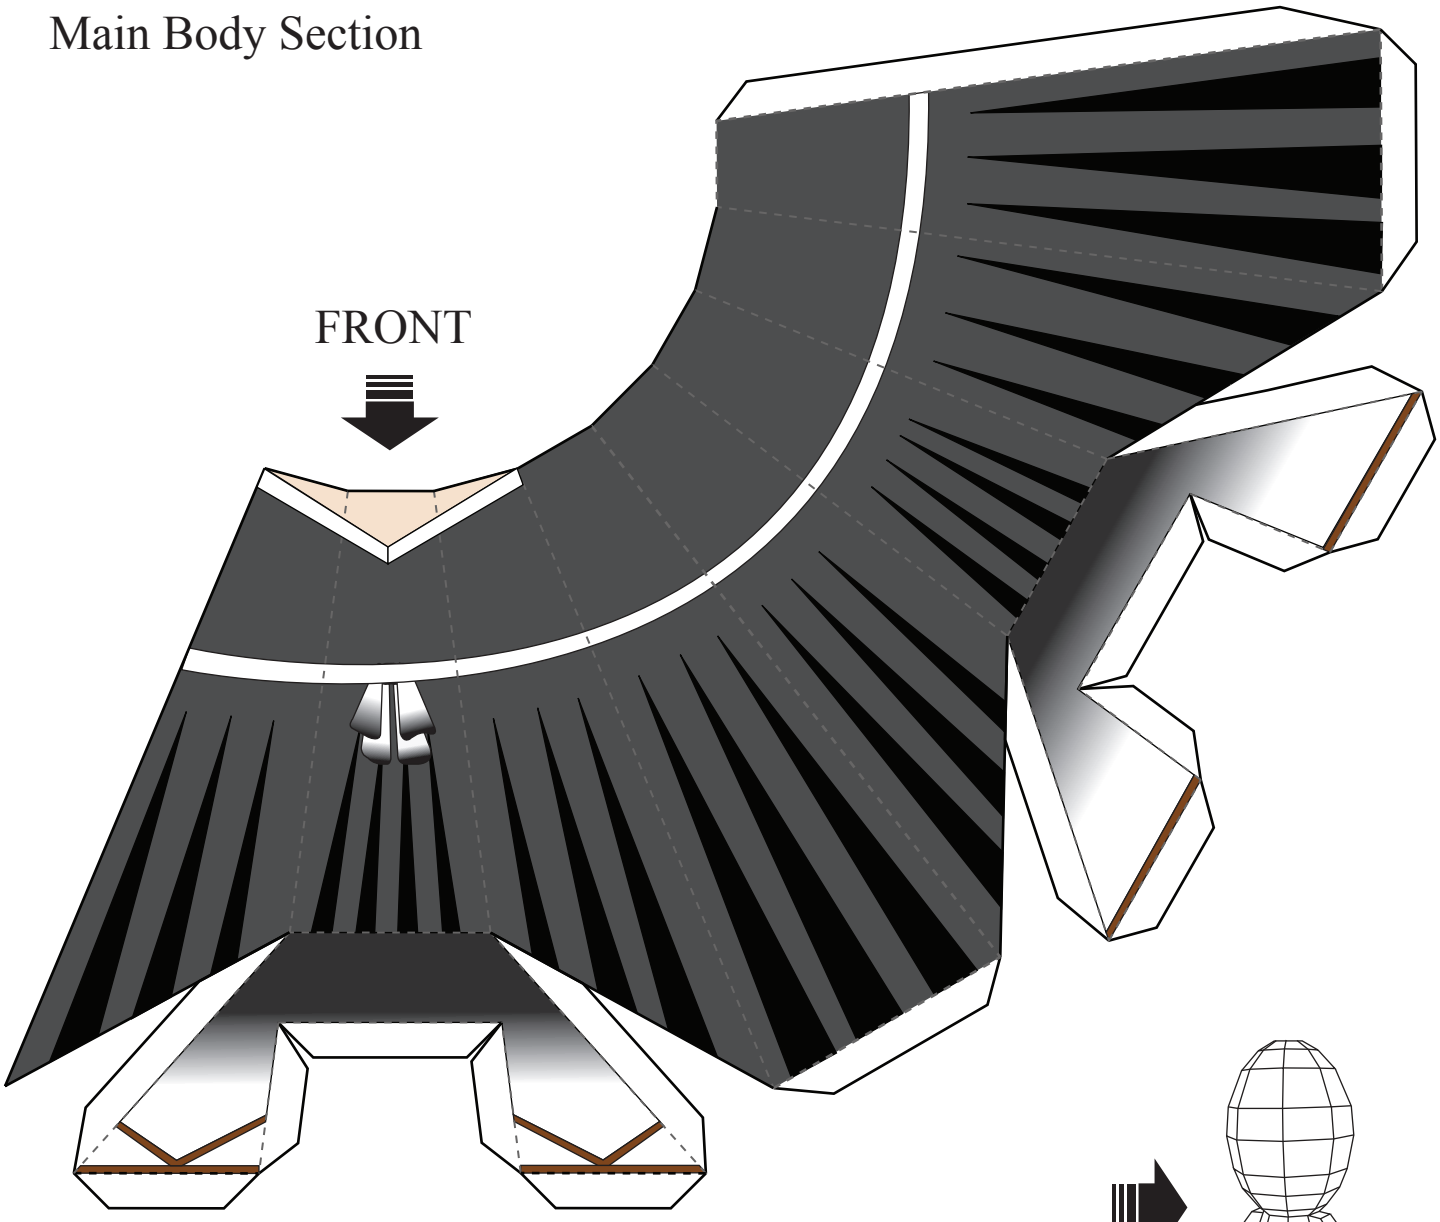
Main Body Section

FRONT



When building the Head & Body, use the fold lines as a guide only. Try to get the pieces as rounded as possible, as this will give the figure a much nicer final appearance. Score & fold the Glue Tabs as normal.

The two **Side panels** will need to be scored.

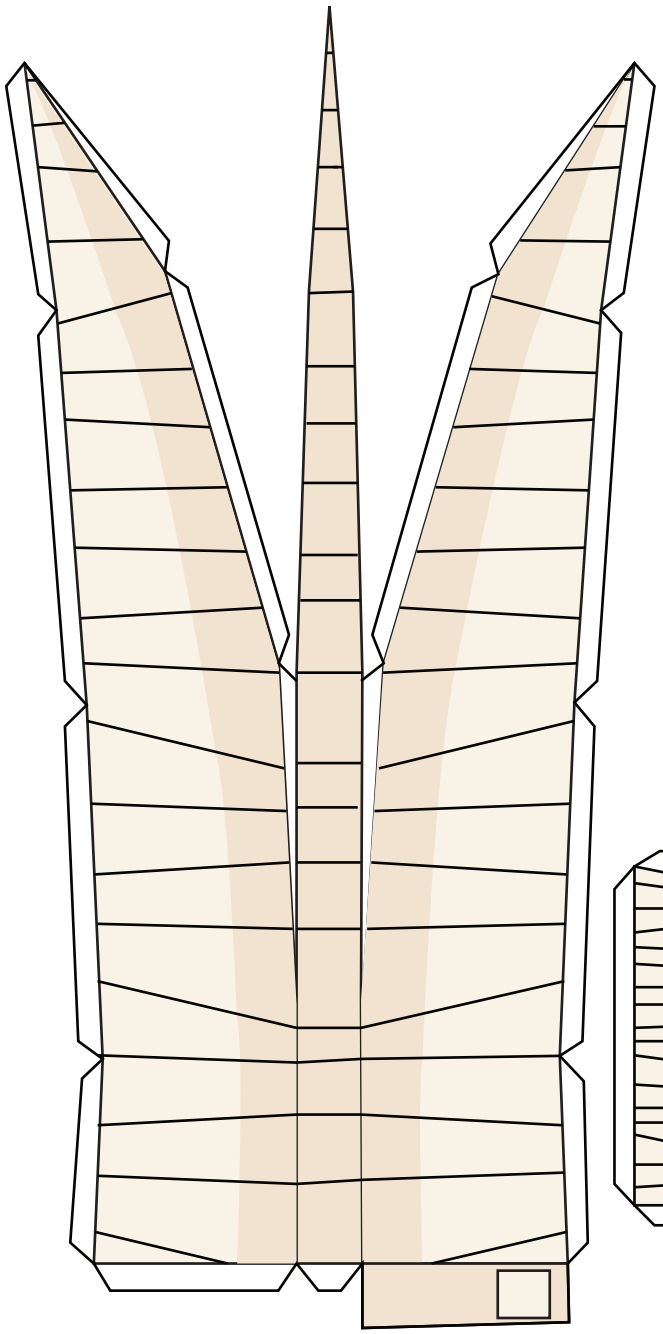
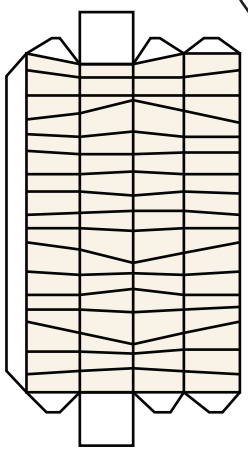
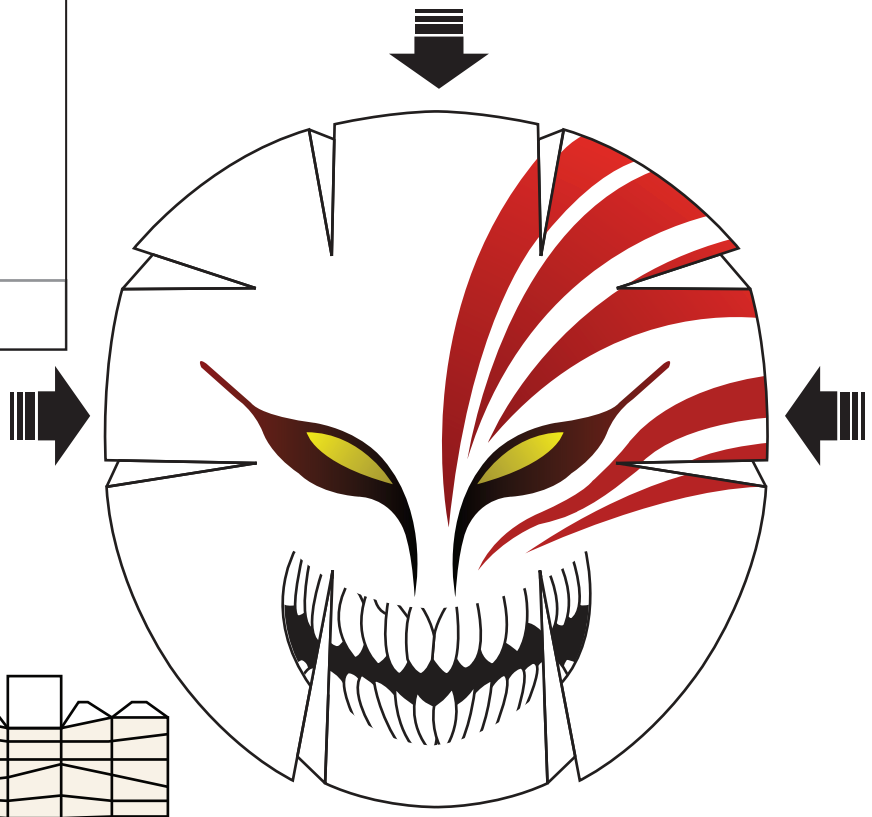
Head Strap







Mask

Cut out & build the mask. No folds needed, as the tabs will create the shape as you glue them.

Cut out & fold the Head-Strap along the Dotted line. Score 1st to get a better fold. Glue the two sides together, & allow to dry before attaching to the 3 points marked on the mask.
