Cutout - make a hole

Model : No. 0192/III/10

Peterbilt 379 Optimus Prime

18 Wheeler Series Scale 1 : 72

Another 18 wheeler release, this time is still Peterbilt 379 with Optimus Prime livery. Too bad the last Transformers sequel movie : The Dark Side of The Moon is not here yet in Indonesia theater. This template parts are almost the same, 2 additional parts are added and 1 part is modified.
