The Smurf Series

Smurf Love

About a year ago, my friend had request this smurf papercraft but I didn't make it until now. I read about how Smurf the movie had been on top of the movie box office chart this week in USA theaters, so I think this is the right time to make them into papercraft. Yes them, I really plan to make the whole smurf village with houses. I had enjoyable time when reading this comic when I was a kid, I love miniatures so much, that's why I love scale modeling and also brought me to study architecture in university. So smurf the smurf!
