Gatling Peas

shoot four peas at a time. Must be planted on repeaters

Gatling Pea's parents were concerned when he announced his intention to join the military.
"But honey, it's so dangerous!" they said in unison. Gatling Pea refused to budge.
"Life is dangerous," he replied, eyes glinting with steely conviction.

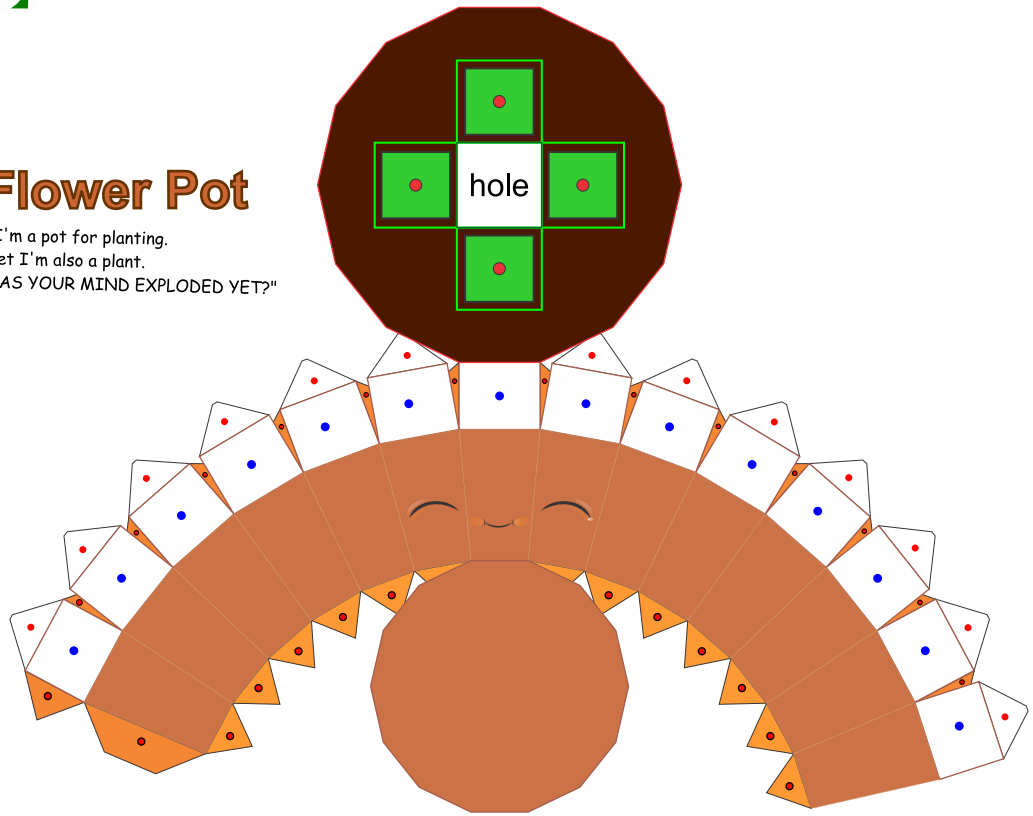
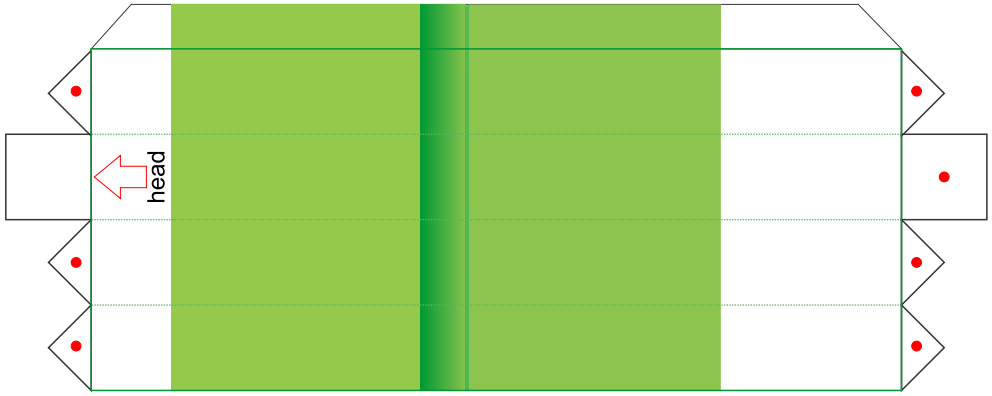
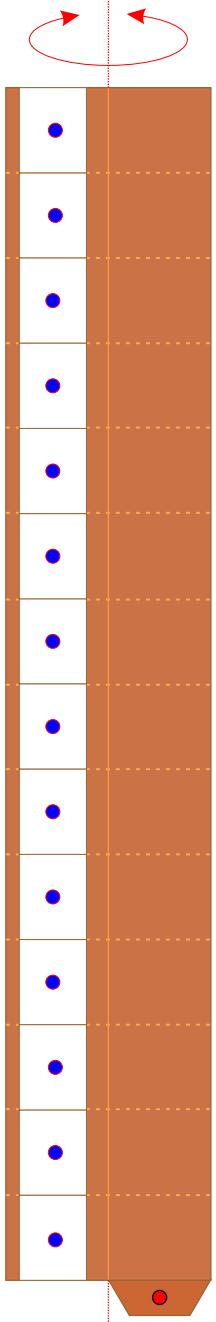
Flower Pot

"I'm a pot for planting.
Yet I'm also a plant.
HAS YOUR MIND EXPLODED YET?"

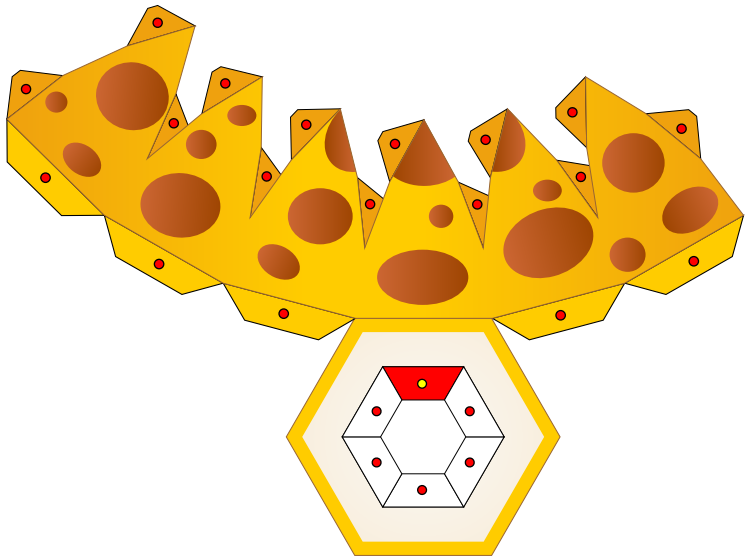


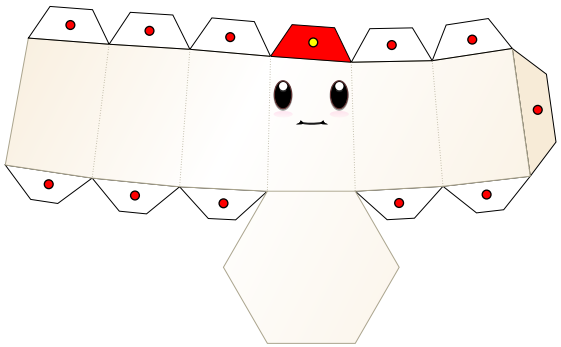




Sun Shroom

"Sun-shrooms give small sun at first and normal sun later."





Sun production: low, then normal
Sleeps during the day

Sun-shroom hates sun. He hates it so much that when it builds up in his system, he spits it out as fast as he can.
He just won't abide it. To him, sun is crass.

Consider the environment before printing this pattern. Save trees, Print Only When Necessary

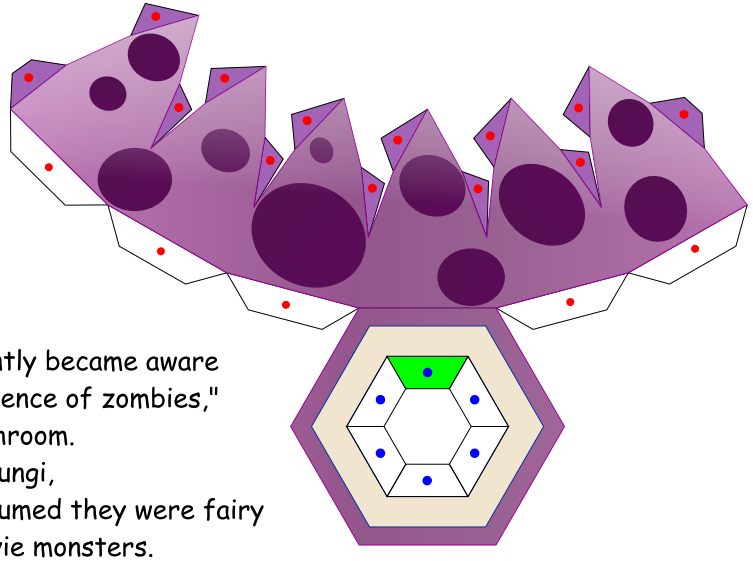
Lilypad

Lily pads let you plant non-aquatic plants on top of them.

Lily Pad never complains. Lily Pad never wants to know what's going on. Put a plant on top of Lily Pad, he won't say a thing. Does he have startling opinions or shocking secrets? Nobody knows. Lily Pad keeps it all inside.

Puff - Shroom

"Puff-shrooms are cheap,
but can only fire a short distance.."



"I only recently became aware
of the existence of zombies,"
says Puff-shroom.
"Like many fungi,
I'd just assumed they were fairy
tales or movie monsters.
This whole experience has been
a huge eye-opener for me."
