Instructions

Before assembling part A1, cut the circle out of the middle of part A1, cut out parts A5 and A6 and assemble as shown in the diagram.

Assemble the body as shown.

As per the body, before assembling part B1, cut the circle in the middle, cut out parts B4 and B5, and assemble as shown in the diagram.

Assemble the Top as shown in the diagram below.

Assemble the Front treads as shown in the diagram. The diagram shows the front left tread. The numbers in the brackets is the corresponding front right tread parts to be assembled accordingly.

Assemble the back treads as shown in the diagram. The diagram shows the back left tread. The numbers in the brackets is the corresponding back right tread part to be assembled accordingly.

Assemble all the parts together as shown below. Make sure the AB parts fit into the grooves in the body and the top before gluing them together, to allow for a rotating turret.
