LEFT WINDOW

RIGHT WINDOW

(The left's your left, and the right's your right)

The octogonal window is supposed to be like that.

OCTOGONAL WINDOW

HOUSE'S BANNER

DOOR

**After the door is completely done,
it should look like that.**

The tree when assembled.

**I didn't take pictures of all pieces,
but just of them that could be tricky.
Here's the final look of Donkey Kong's
house:**
