hey there :3  
thank you very much for downloading my Gomamon Papercraft

this model is not very hard  
build the arms and legs seperated and follow the numbers

add the ears before you close the head completely  
i prefer after piece 23

i didn't unfold the hair because they where intense complicated  
use something like cardboard, plush or felt  
or cut yourself some trianlges out of paper

if you have some other questions  
about the model or something else  
feel free to ask me at my deviantart profile  
[destro2k.deviantart.com](http://destro2k.deviantart.com)  
i'll help you in every way i can :)

**and the most important thingas always**  
**THIS MODEL IS FREE AND SHOULD IT BE**  
**SO LET IT BE! =)**
