

# King stand instructions

## step 1

Print out the parts on 200 g/m<sup>2</sup> cardstock and get out your papermodelling tools!!

## step 2

First score and cut out all the parts.

## step 3

Assemble the individual parts.

#### step 4

Let the glue dry before putting all the parts together.

#### step 5

Build King (sorry for making it sound like one easy step ;o) and put him on your stand. Thank you for downloading and building a Ninjatoes' paper model!!!
