

THE KING OF RED LIONS

To help him navigate the Great Sea that has flooded the kingdom of Hyrule, Link befriends the talking boat King of Red Lions. Both a means of transportation as well as a helpful guide, King will be your greatest ally in The Wind Waker.

The boat speaks to Link, explaining what's going on and what to do next. And once you acquire the salvage crane and the cannon, that's when the fun really starts...

game site: <http://www.zelda.com/gcn/>

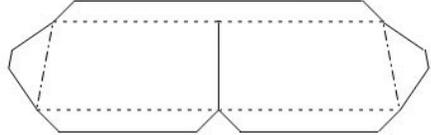

Dashed lines: score and fold down.
(mountain fold)

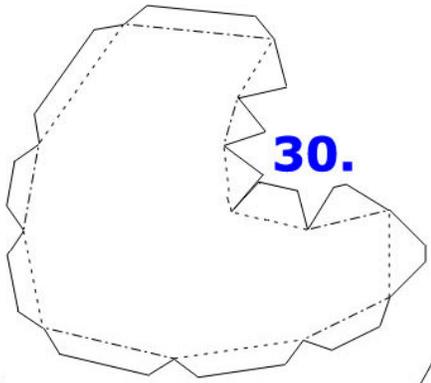

Dot-dash lines: score and fold up.
(valley fold)

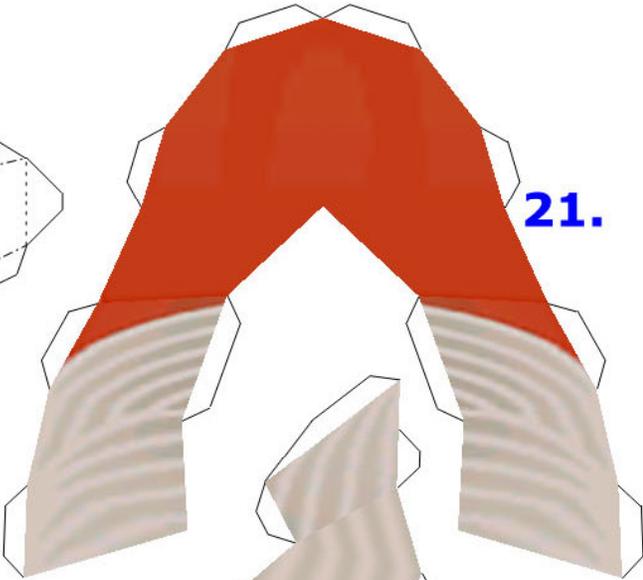

NOTE: this is the lineless version of Ninjatoes' King of Red Lions. Be sure to check out the version with lines at <http://members.home.nl/saarloos/> to see where you need to fold.
