

# Majora's Mask instructions

## step 1

## step 2

### step 3

Cut out and pre-shape parts 1 through 4.

### step 4

Now join these four parts together to make half of the mask...

### step 5

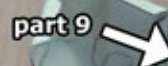

...and use parts 5 through 8 to create the other half.

### step 6

The next step is of course to join the two halves together.

### step 7

Glue part 9 in the middle to re-inforce the paper model.

### step 8

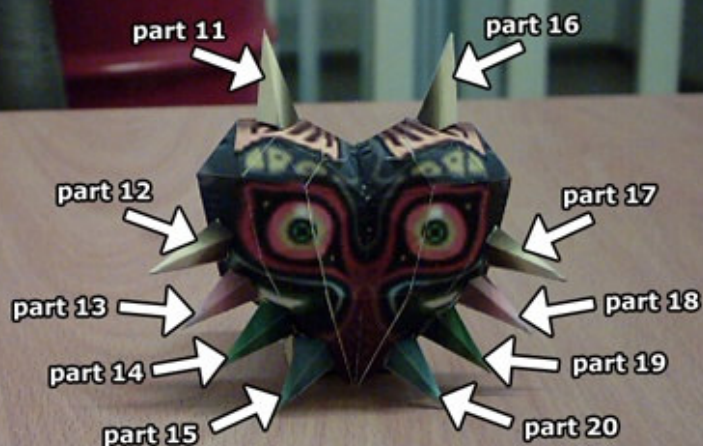

Now close up the back of the mask with part 10.

### step 9

Assemble the horns...

### step 10

...and glue them into place.

Thank you for downloading and building a Ninjatoes' paper model!!!
