

BATTLESTAR GALACTICA

CYLON PISTOL

This cardmodel is free. It is a non-profit fan project and for personal use only. No commercial use.

Battlestar Galactica ©, (R) and TM Universal City Studios / SyFy Channel. No infringement intended.

Many thanks to Chris "Rhaven Blaack" Tucker for test-building and advice and providing pictures of the assembled model.

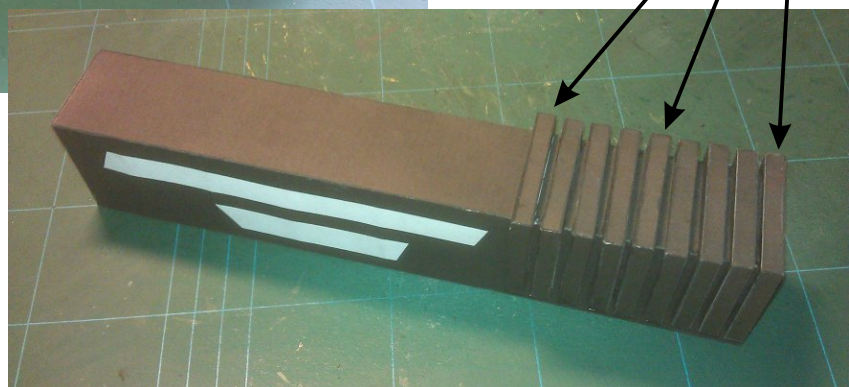

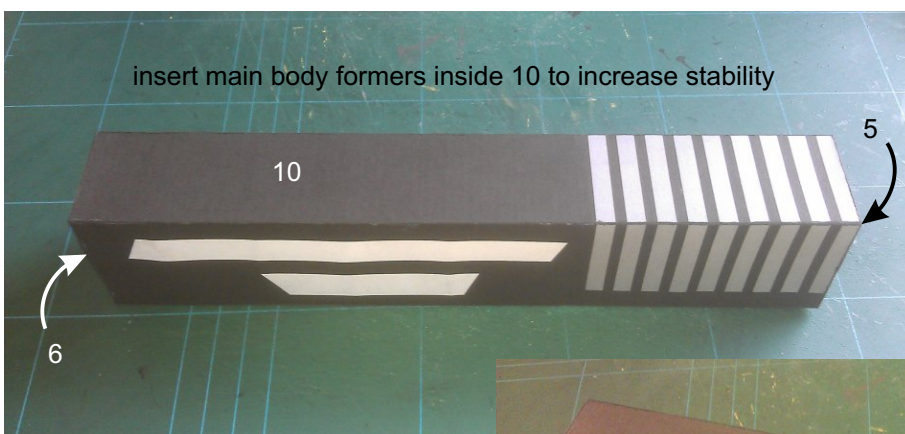

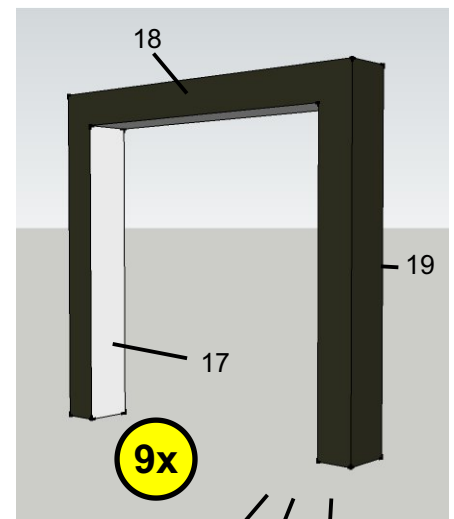

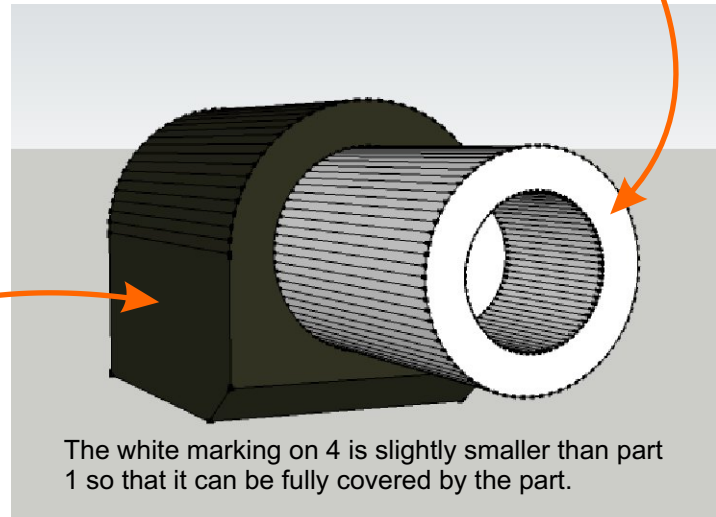

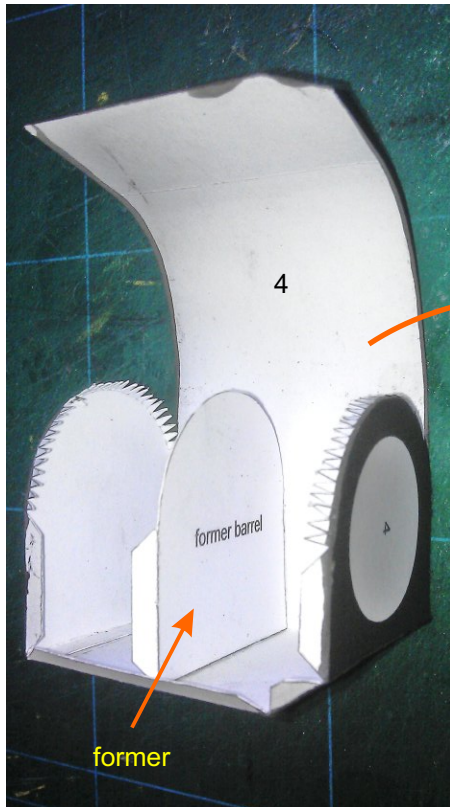

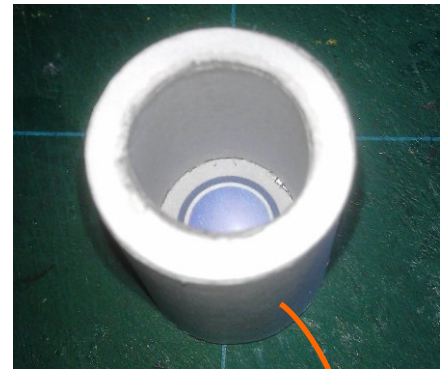

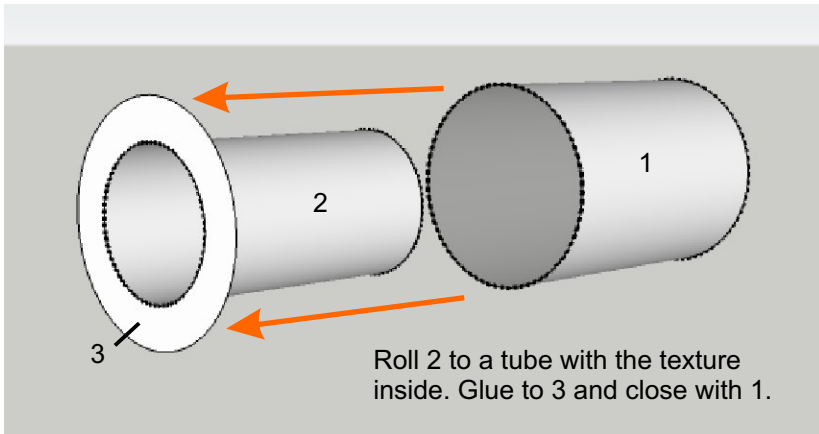

Please post pictures of your builds on www.zealot.com or send them to gal78@hotmail.de (please refer to "model pics" or your mail will be regarded as spam).

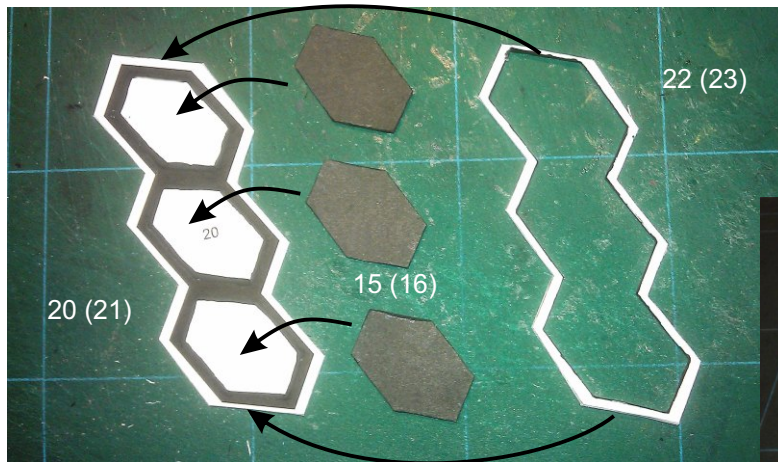

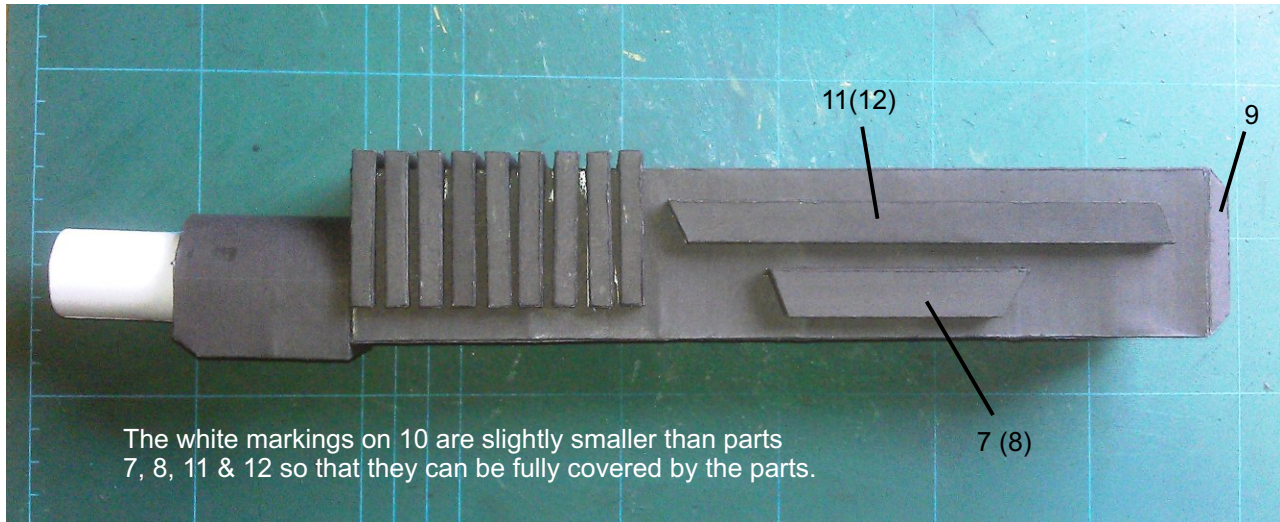

Have fun and enjoy!

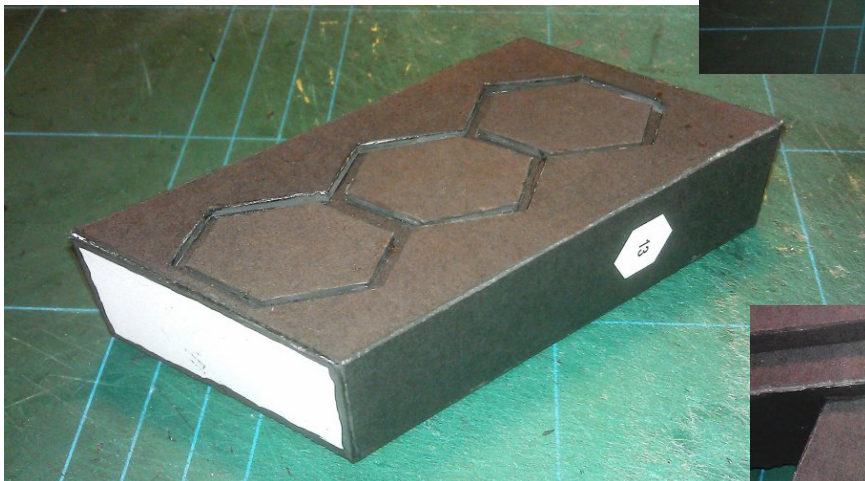

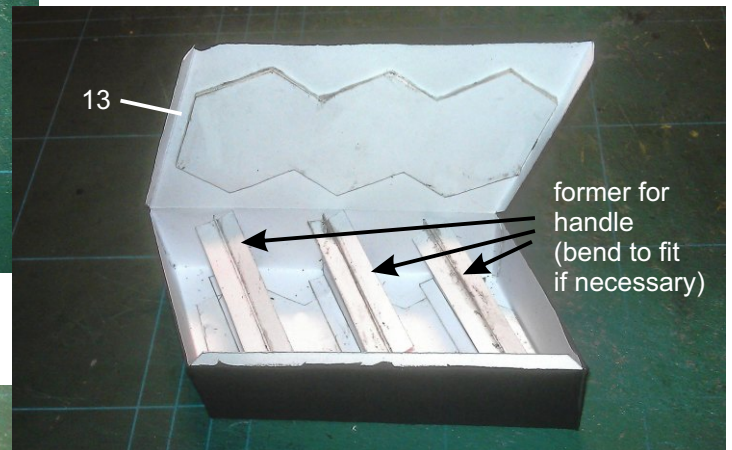

9/2012

Assembly

Laminate 15, 16, 22 & 23 to 1mm cardboard. Paint the edges black before glueing together. Glue to the inside of handle 13 so that everything looks like in the following pics.

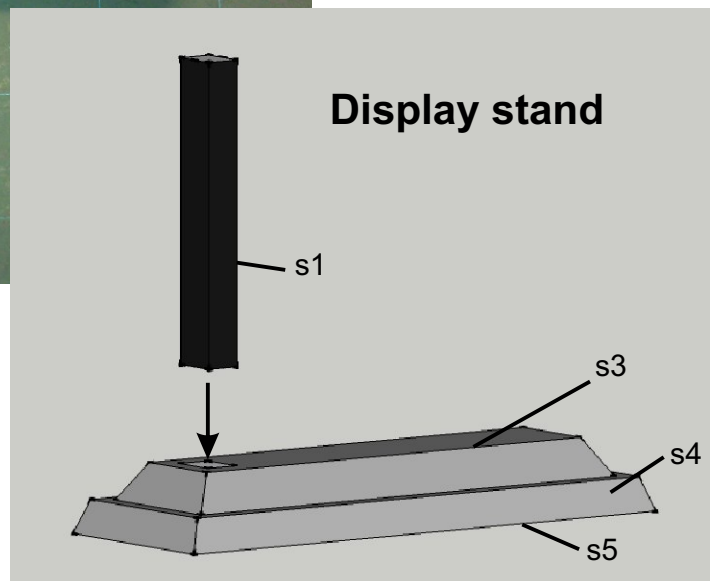

Laminate all flat parts of the trigger to 2 mm cardboard. Assemble all parts as shown and attach to 13 where indicated.

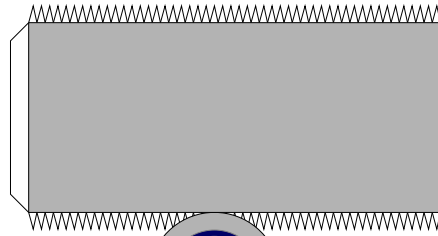

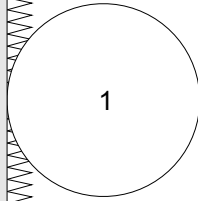

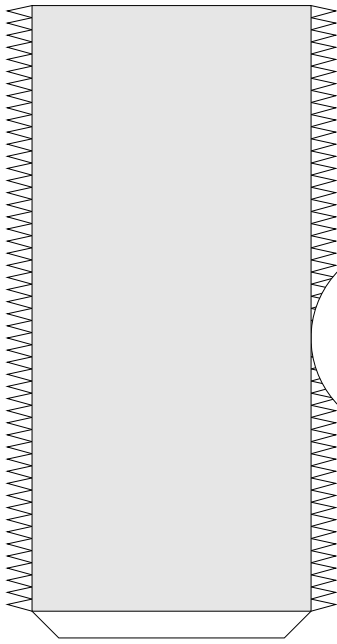

Ready for the stand :-) !

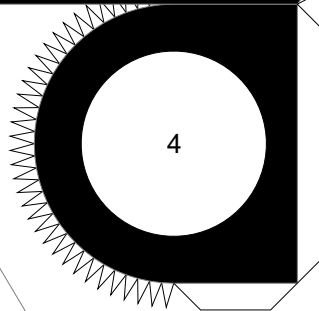

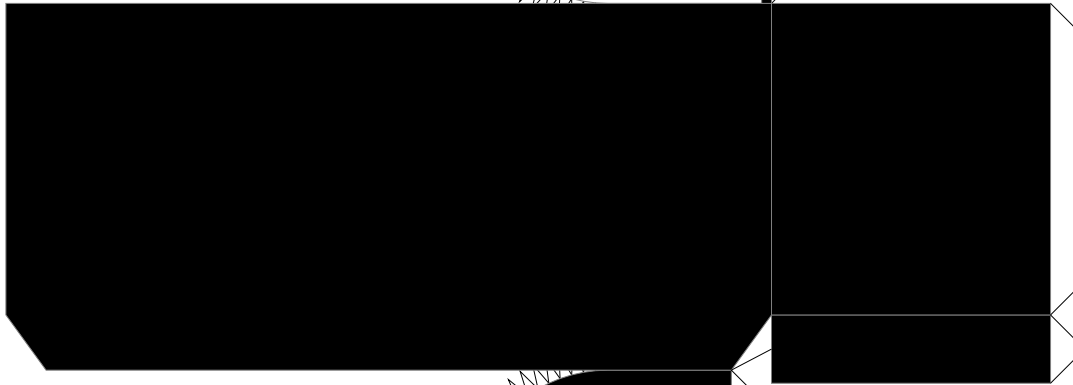

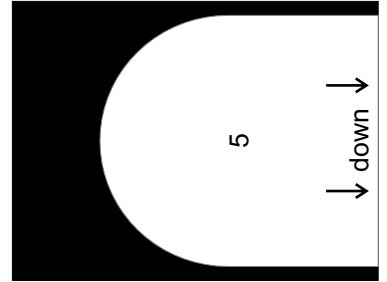

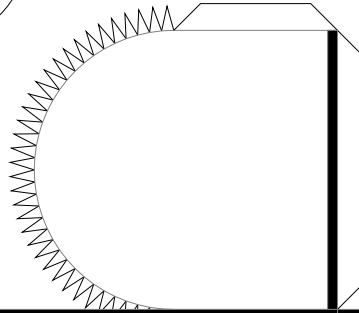

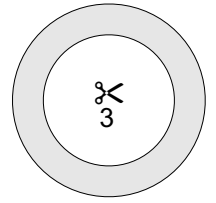

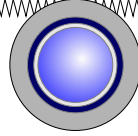

Done!
