

TOMB RAIDER

Tomb Raider II "Great White"

A new 3D action/adventure means new enemies for tomb raider **Lara Croft**: in the underwater levels of **Tomb Raider II: The Dagger of Xian**, you will frequently encounter the fearsome **Great White** shark (maybe even two at a time, *if* you're lucky, that is... ;o).

Unlike in the first game, **Lara** now has a **Harpoon Gun** for underwater battling, but if you want my advice: get out of the water if you can, and try shooting the **Great White** from the safety of the shore. Sounds a bit cheap, I know, but trust me: you ain't gonna be doing much tomb raiding if you get mauled between the teeth of a **Great White**...
