

LEGO 6009 BLACK KNIGHT MINIFIG

PAPERCRAFT MODEL BY NINJATOES

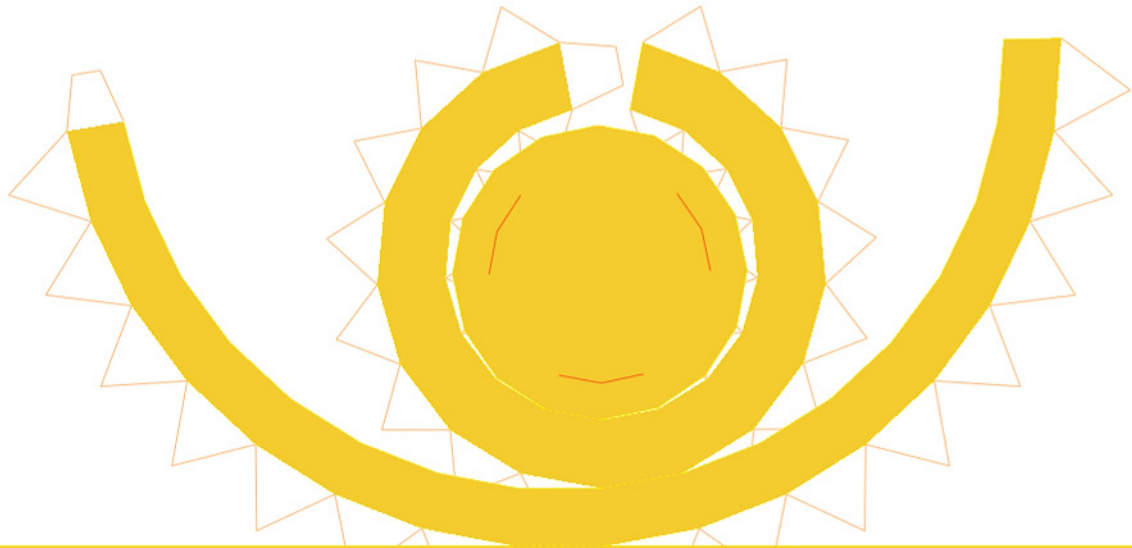

PAPERCRAFT BLACK KNIGHT

The BLACK KNIGHTS have been around since 1988, but it wasn't until 1992 that they got their own LEGO CASTLE subtheme.

This revival of the Black Knights featured the famous Dungeon Master's Castle and the best (only) real LEGO CASTLE boat, the Sea Serpent.

The theme also introduced the new and bigger oval shield (with a cool dragon motif!) and the awesome dragon plumes for the Knight's helmets!

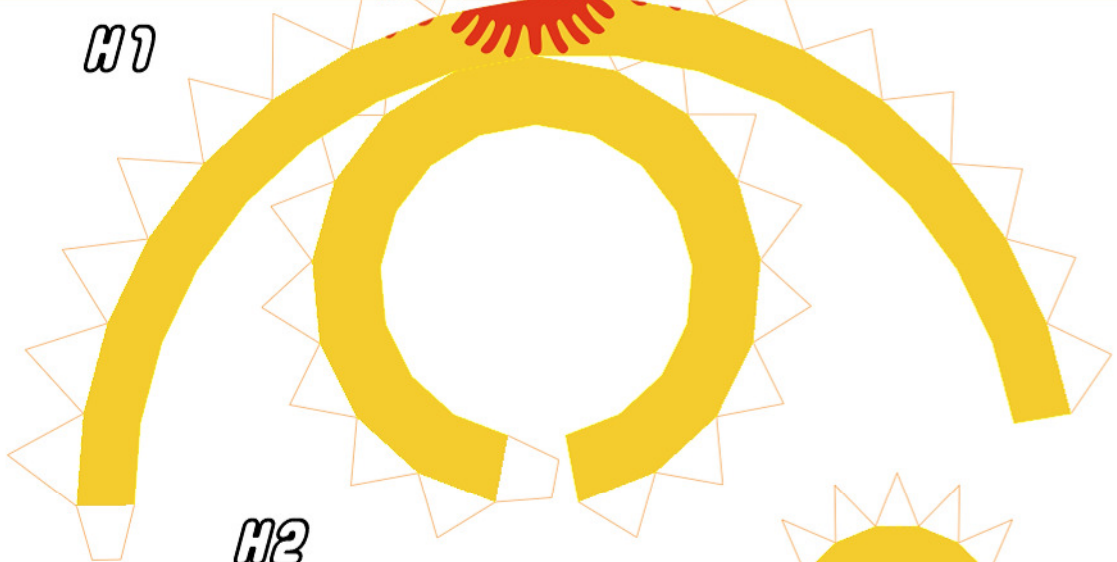

H1

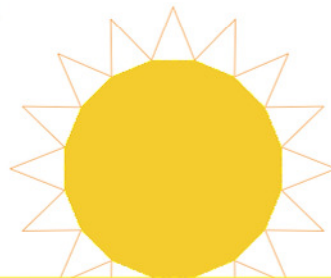

using thicker paper
(160-200 gsm) is
really recommended
because of the wear
and tear of the joints!
