

First, assemble pieces  
1, 2, and 3

now add piece 4

then 5 . . .

and 6 . . .

and 7

now assemble  
piece 8

then add piece 9

(For the hair, trim off  
the black edges)

assemble pieces 10 & 11

For pieces 10b and 11b,  
INVERT the folds  
(mountain folds become  
valley folds, ect)

Glue 10b and 11b  
to 10 and 11

Now trim off the edges  
of 10b and 11b

Add it to pieces 8 and 9

Now add it all to the  
rest of the head

Add on piece 12

and then 13

assemble piece 14

Add on piece 15

and 16

Then add it to the head

Assemble 17+17b and 18+18b

and add 19

add it on to the rest

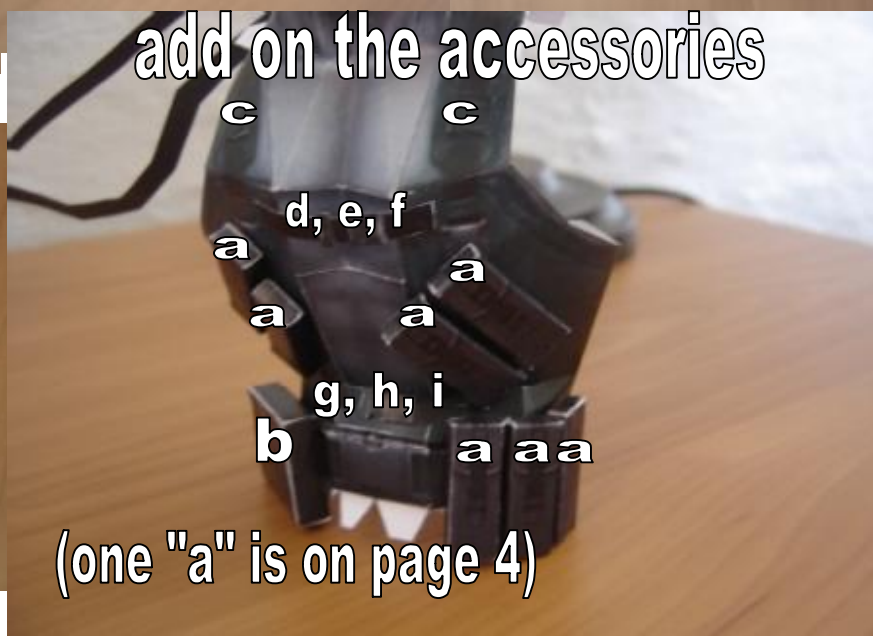

Add on 20

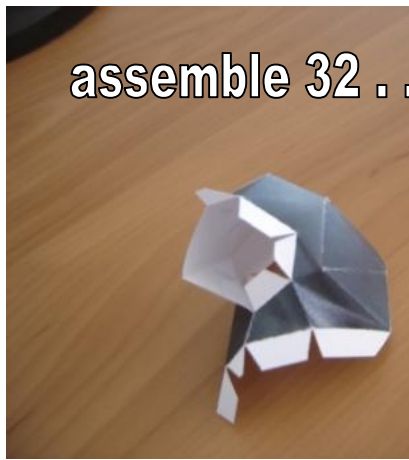

now add 21

assemble 32 . . .

and add it on

add 33 . . .

34 . . .

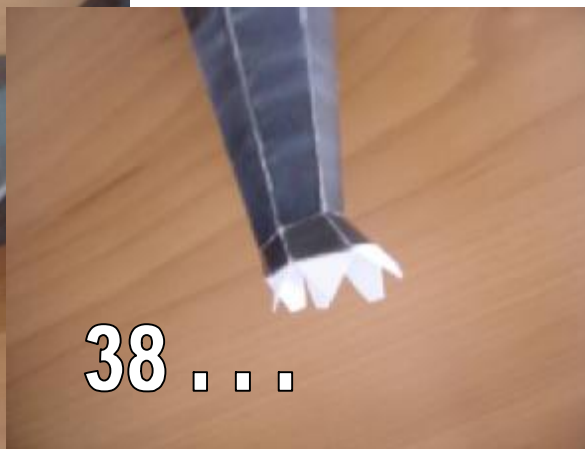

35 . . .

36 . . .

37 . . .

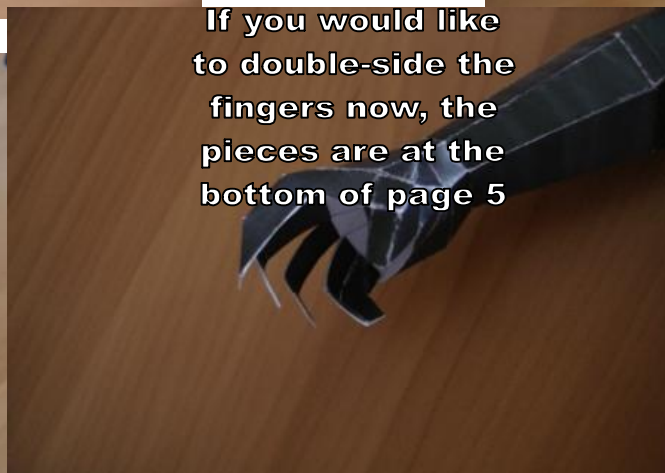

38 . . .

39 . . .

then the fingers

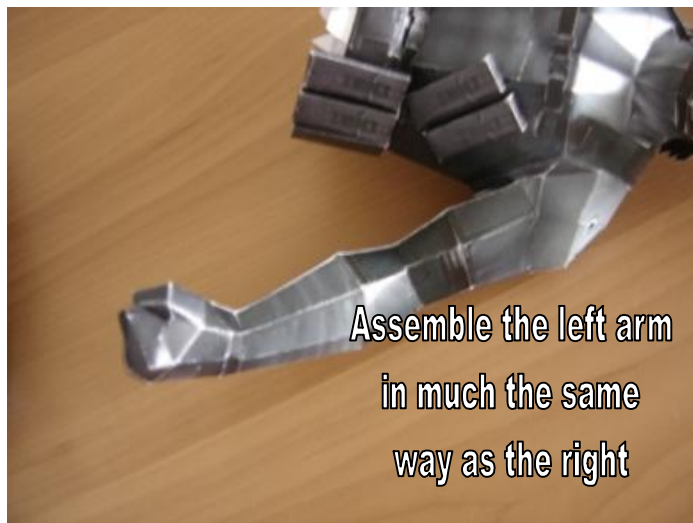

If you would like  
to double-side the  
fingers now, the  
pieces are at the  
bottom of page 5

assemble 40 . . .

61 . . .

62 . . .

63 . . .

64 . . .

65 . . .

66 . . .

67 . . .

68 . . .

69+70 . . .

71 . . .  
(to the back of the leg)

72 . . .

73 . . .

and 74

add 74 to the rest

then add on 75

glue on x and y

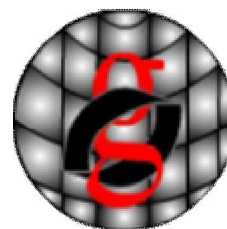

x

y

now assemble the  
left leg in the same way

And you're done!
