

Campbell's Soup Can

1:1 Scale

INSTRUCTIONS:

1. Print the template on cardstock.
2. Cut on the solid lines.
3. Make a mountain fold on the dashed lines. Before folding, trace lightly along the folds with a ruler and an empty pen or dull exacto type knife for cleaner, more angular folds.
4. Glue sparingly at the white flaps.
5. Assemble as indicated by the numbers.
6. For best results, gently spindle the can around a cylindrical object before gluing (an actual soup can works well!)
