The image displays 20 distinct net templates for a complex polyhedron, organized into two columns. Each template is numbered 1 through 20.

- Template 1:** Features a central square labeled 'B' surrounded by triangles and other polygons. Red lines indicate fold lines.
- Template 2:** Similar to Template 1, with additional labels 'a', 'b', and 'c'.
- Template 3:** Includes a central square labeled '3a' and several triangles.
- Template 4:** Shows a large rectangle labeled 'C' with multiple triangular flaps.
- Template 5:** Consists of a central square labeled '5' and surrounding rectangles.
- Template 6:** Similar to Template 5, with a central square labeled '6'.
- Template 7:** Features a central square labeled 'L' with green and red outlines.
- Template 8:** Includes a central square labeled '8a' and several triangles. A ruler at the bottom left indicates measurements from 0 to 5 cm.
- Template 9:** Shows a central square labeled 'qg' with star symbols.
- Template 10:** Features a central square labeled 'B' and surrounding rectangles.
- Template 11:** Similar to Template 10, with a central square labeled 'B'.
- Template 12:** Includes a central square labeled 'P14' and surrounding rectangles.
- Template 13:** Features a central square labeled 'P15' and surrounding rectangles.
- Template 14:** Shows a central square labeled 'B' and surrounding rectangles.
- Template 15:** Includes a central square labeled 'B' and surrounding rectangles.
- Template 16:** Features a central square labeled 'B' and surrounding rectangles.
- Template 17:** Shows a central square labeled 'B' and surrounding rectangles.
- Template 18:** Includes a central square labeled 'B' and surrounding rectangles.
- Template 19:** Features a central square labeled 'B' and surrounding rectangles.
- Template 20:** Shows a central square labeled 'B' and surrounding rectangles.

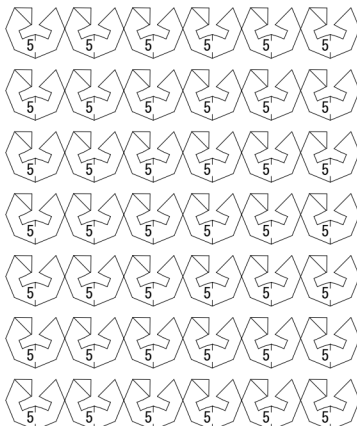

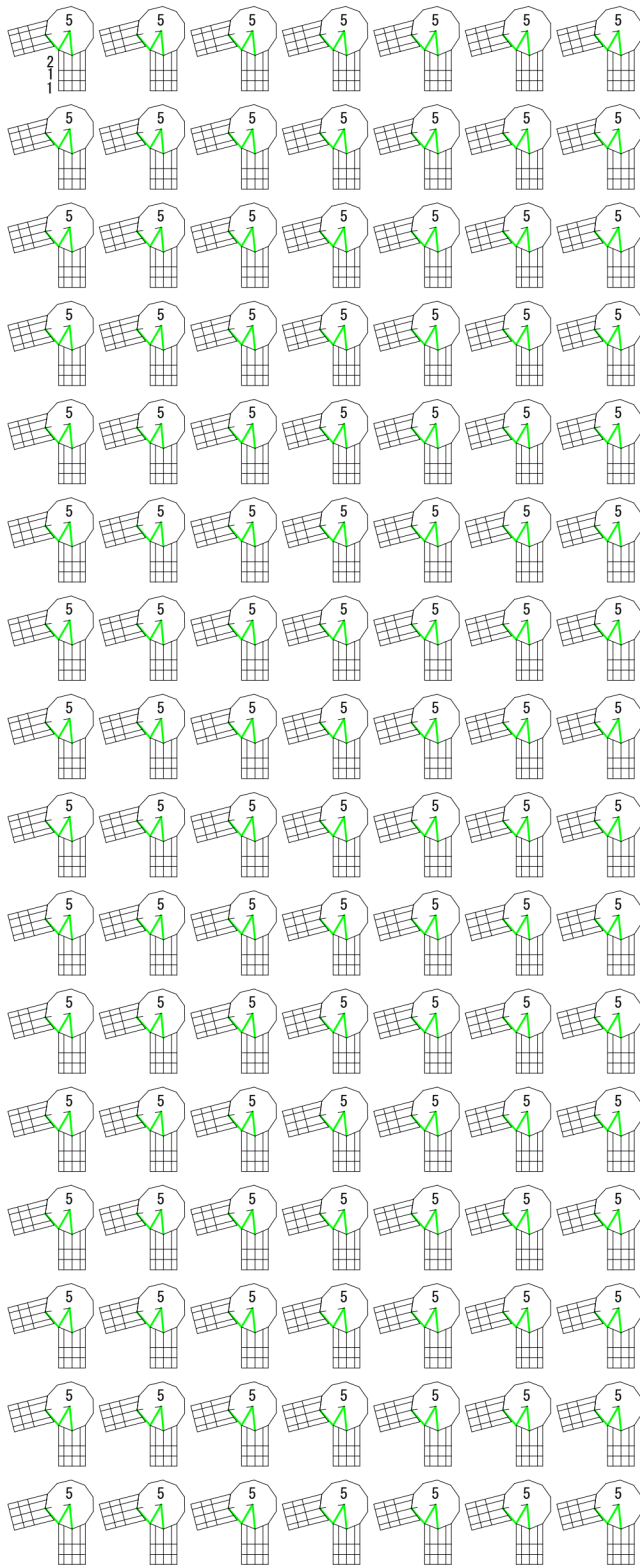

Labels such as 'B', 'C', 'P', 'a', 'b', 'c', 'L', 'qg', 'P14', 'P15', 'P18', 'P7', 'P1', 'P19', 'P20', 'P61' are used throughout the templates. Symbols like stars and asterisks are also present.
