

## Ansem Final Boss (World of Chaos) Weapon

Model ripped from "Kingdom Hearts", 2002  
Developed by Squaresoft (now SquareENIX)

Template by Eu tyto Alba  
More at: [eutytoalba.deviantart.com/gallery](http://eutytoalba.deviantart.com/gallery)

This papercraft is scaled proportionately to cosplayers who are 5ft 6in tall. In other words, this papercraft is 7' 10.8" tall!  
See original ZIP for smaller, handier one.  
Or a larger one if you're boss like that. xD
