LEGO STAR WARS LUKE SKYWALKER MINIFIG

PAPERCRAFT MODEL BY NINJATOES

LUKE SKYWALKER

In 1999, **LUKE SKYWALKER** became the first licensed minifig in the LEGO Group's history!

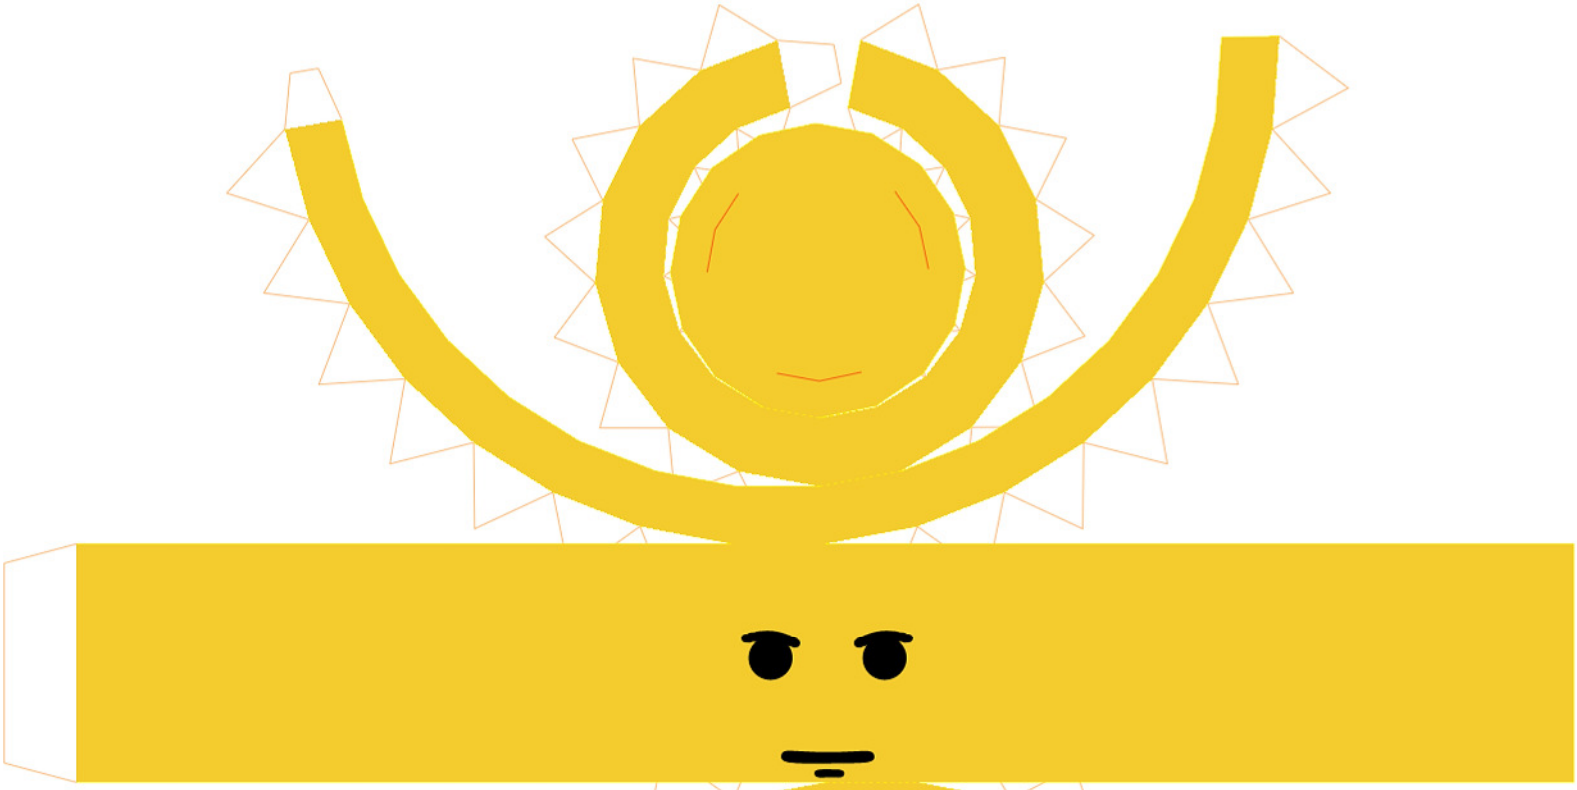

Set 7140, the X-Wing Fighter, was the first set in the new, LEGO **STAR WARS** theme, the first licensed LEGO theme in over 40 years!

It featured Luke in his iconic orange flightsuit, along with his faithful robot companion R2-D2, and two other Rebel minifigs.

Since then, there have been many more licensed LEGO themes, but **STAR WARS** has always been the biggest one!

Feel the Force!

H1

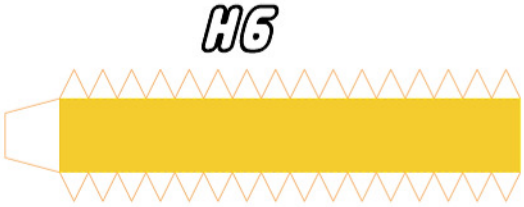

using thicker paper (160-200 gsm) is really recommended because of the wear and tear of the joints!
