Mr. T Cereal Box Papercraft

1:3 Scale and 1:6 scale

INSTRUCTIONS:

1. Print template on cardstock & cut out.
2. Make a mountain fold on dashed lines. For a cleaner looking finished product not all fold lines have been marked with dashed lines, but it should be obvious where the unmarked folds need to occur. ;)
3. Before folding, trace lightly along the folds with a ruler & an empty pen or dull exacto type knife for cleaner, more angular folds.
4. Glue sparingly at the white flaps.
