BUILDING THE HEAD:
Start with the mouth and attach the surrounding pieces. Work your way up the head. Attach the ears then the top and back head pieces.

FACE

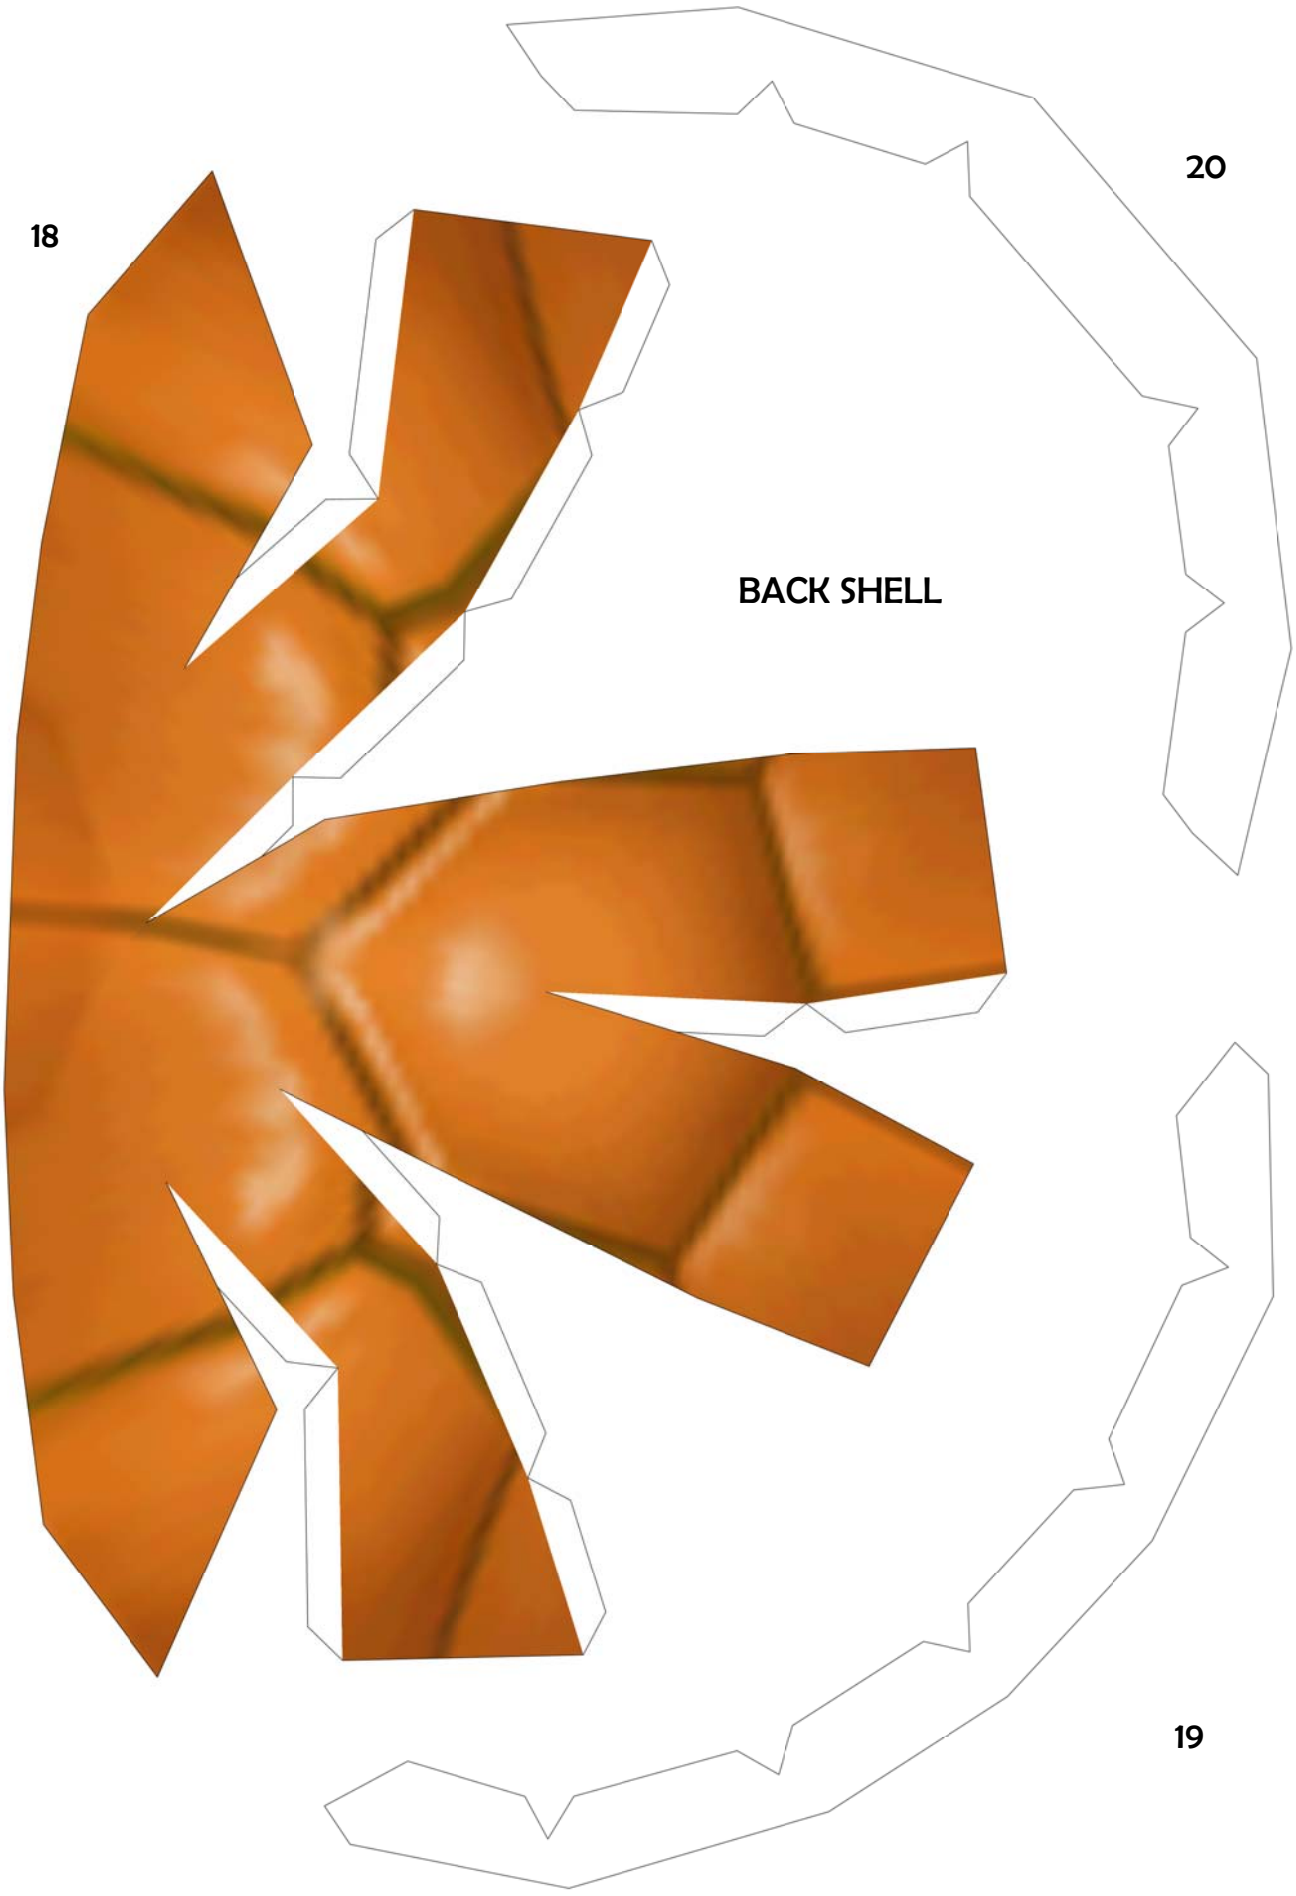

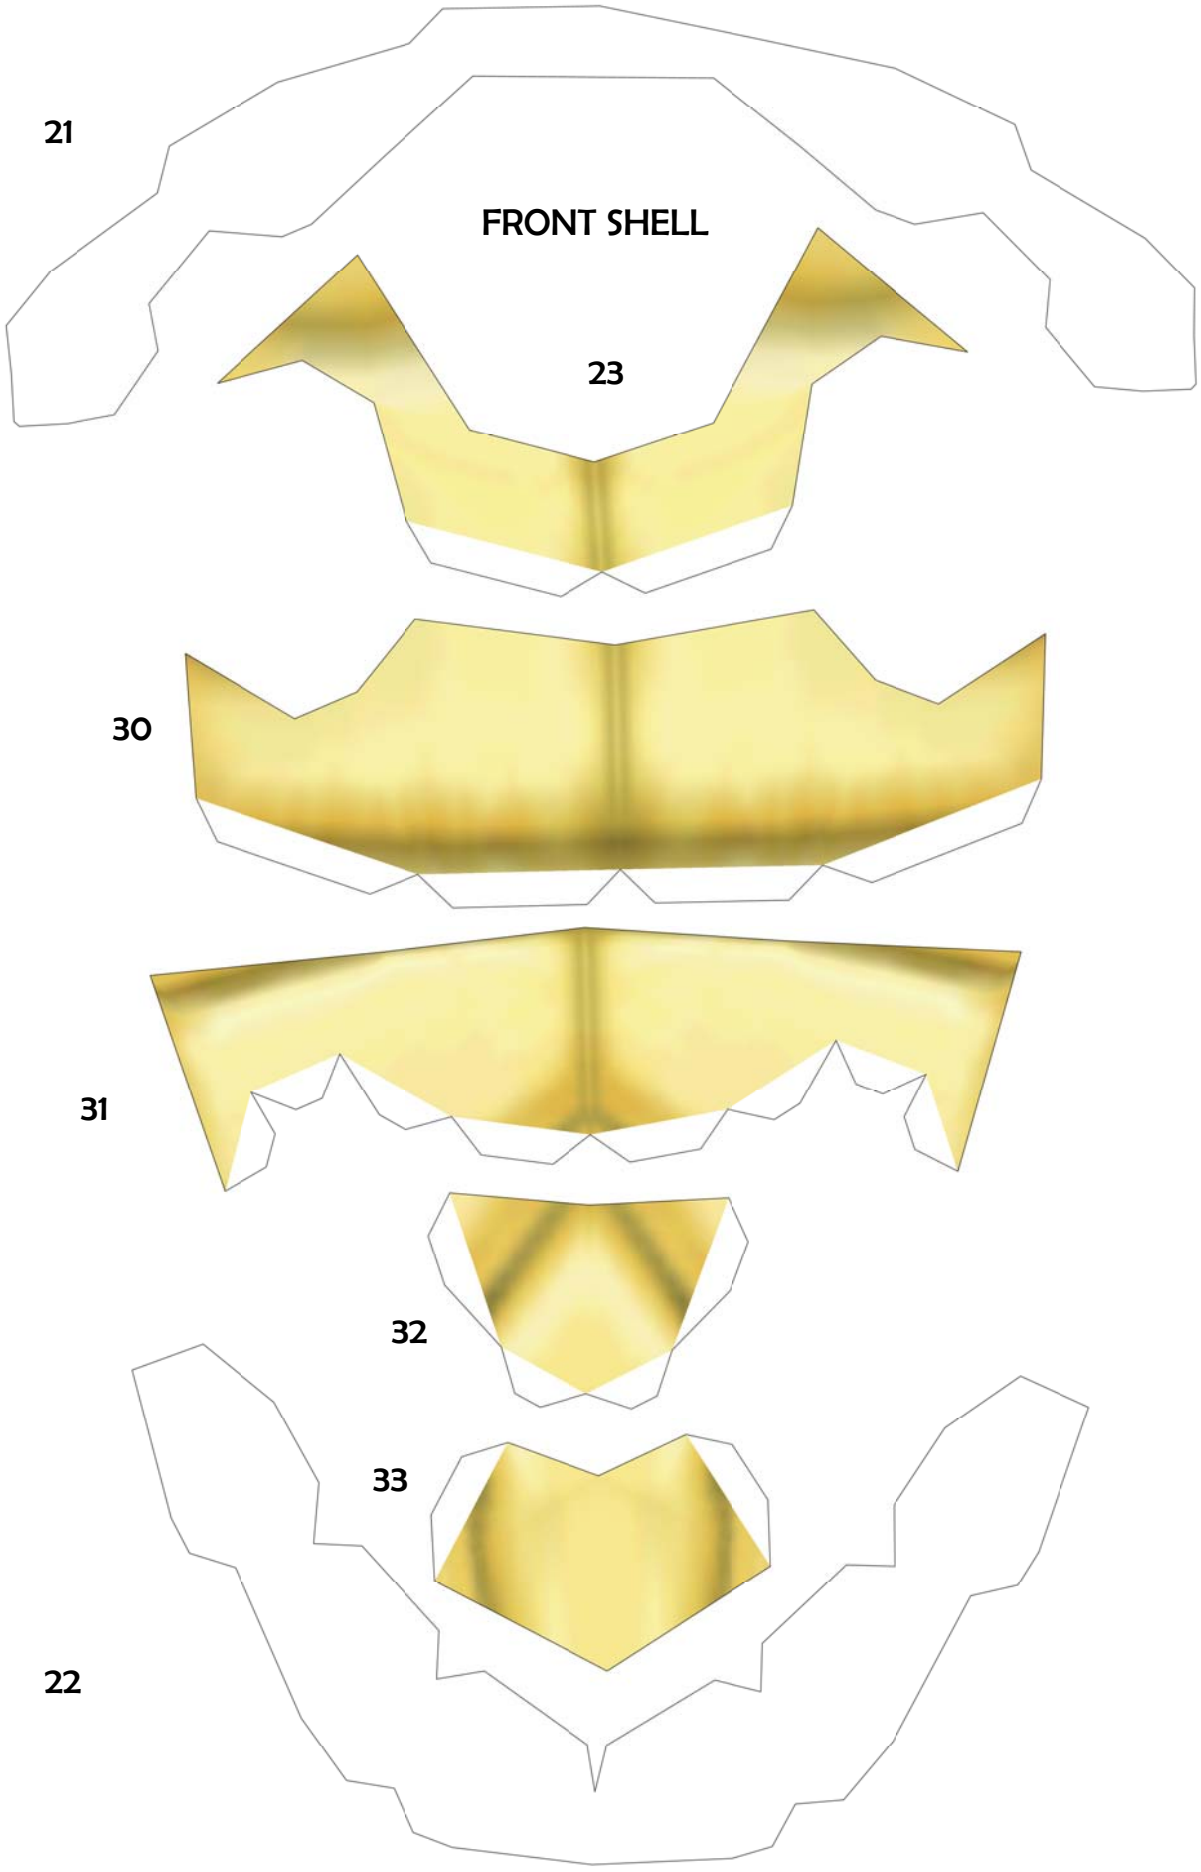

BUILDING THE BODY:

Build the back shell and the white sides.

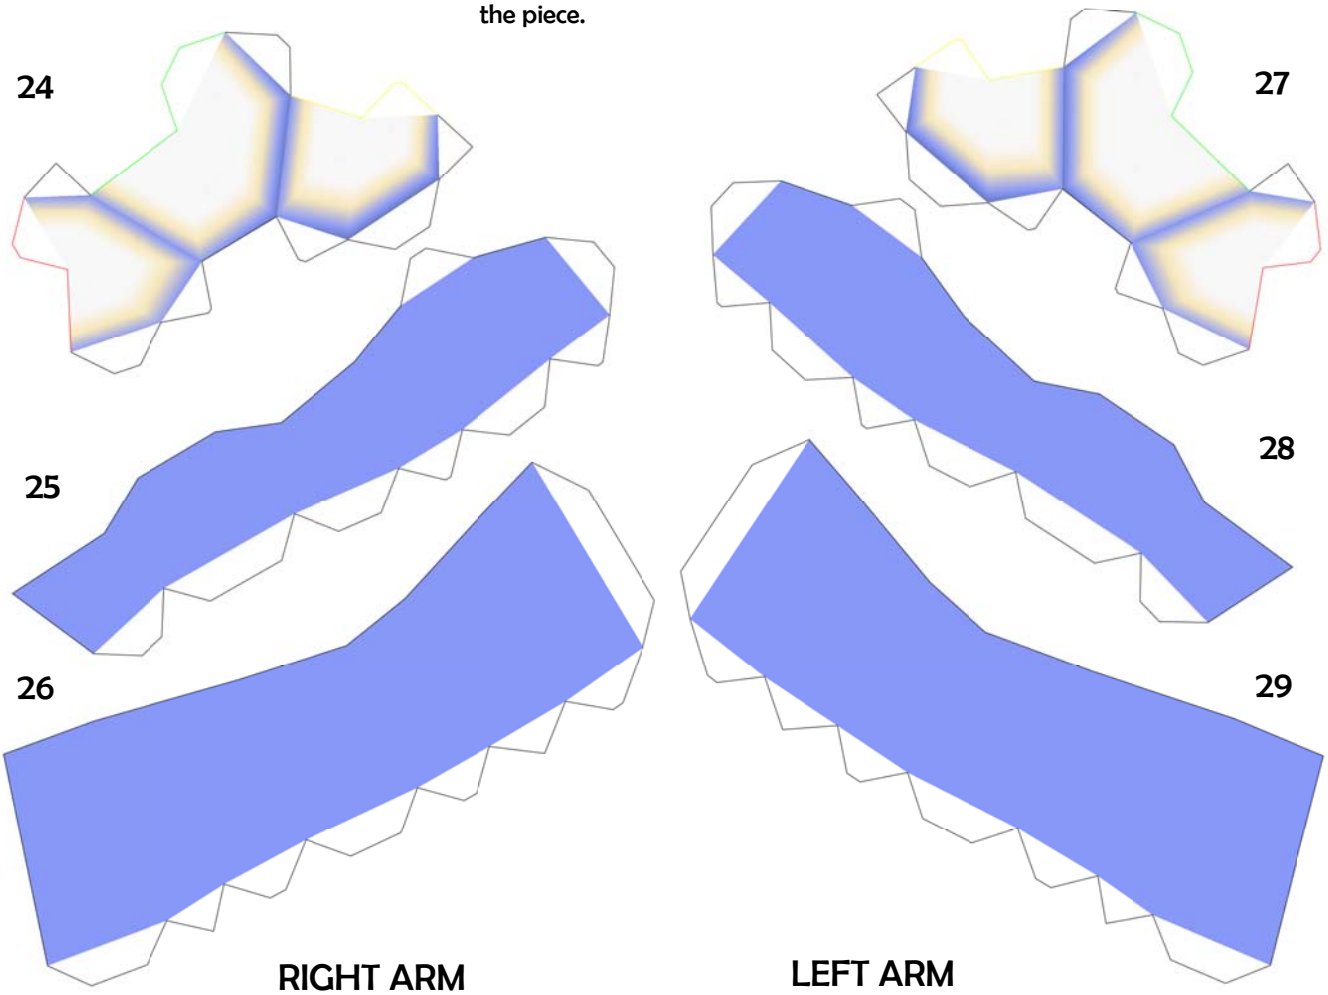

Attach to the head. Slowly build the front shell and attach the arms along the way.

After the last shell piece is attached, glue the leg pieces one at a time and close at the soles of the feet.

BUILDING THE TAIL:

Let the numbers guide you.

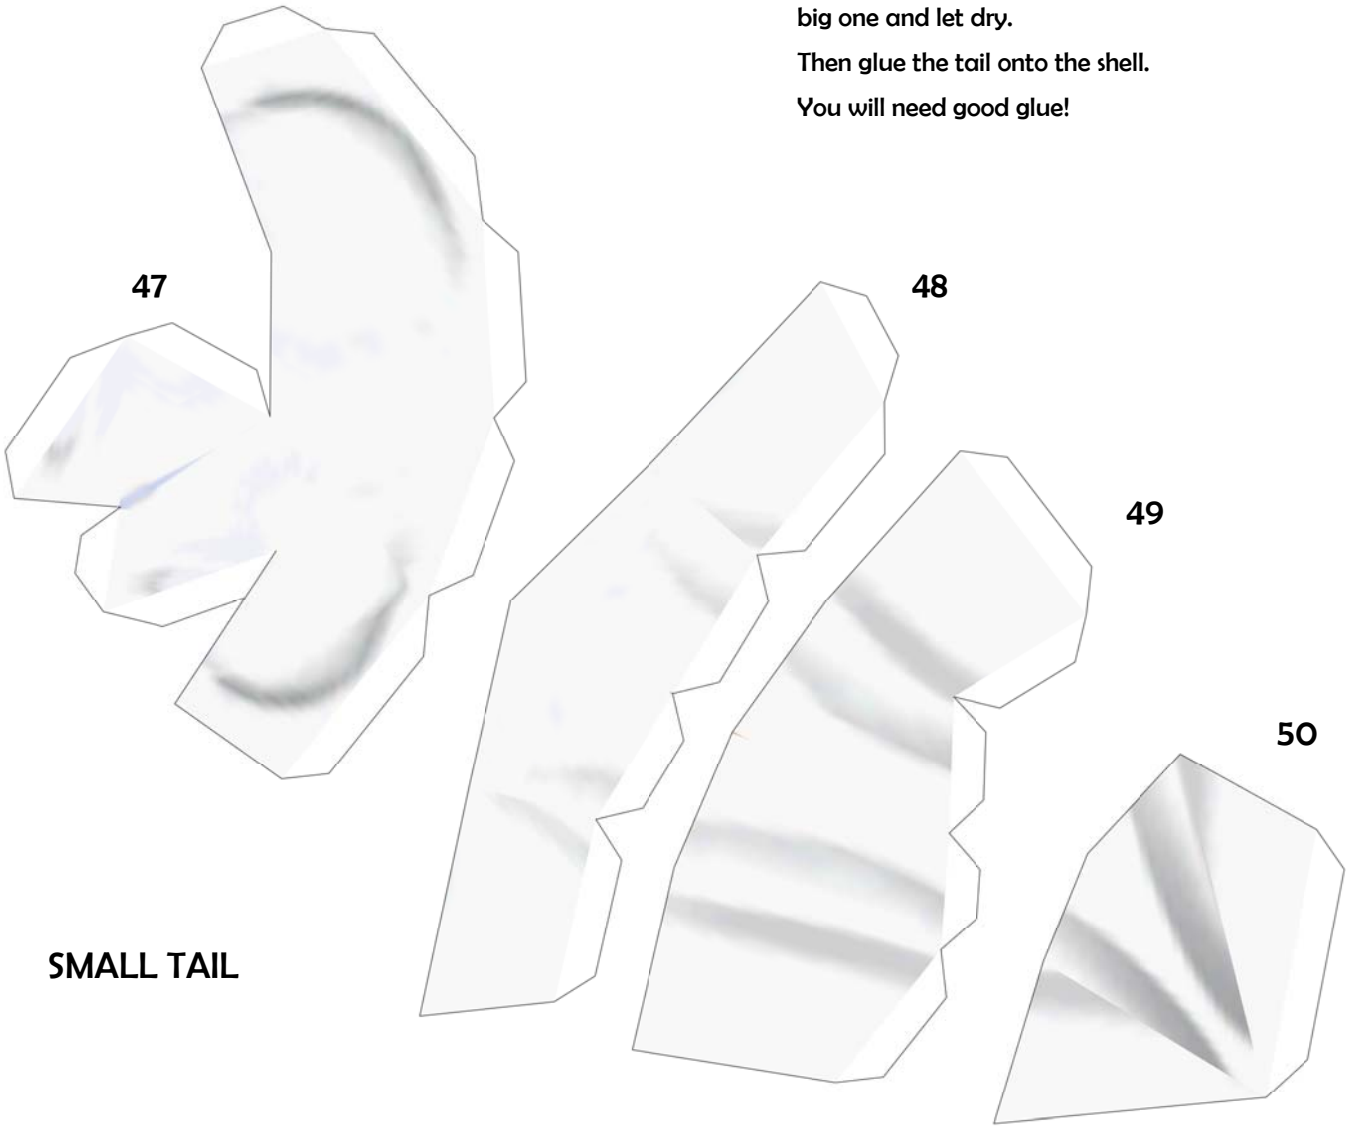

The tail will assemble into two pieces.

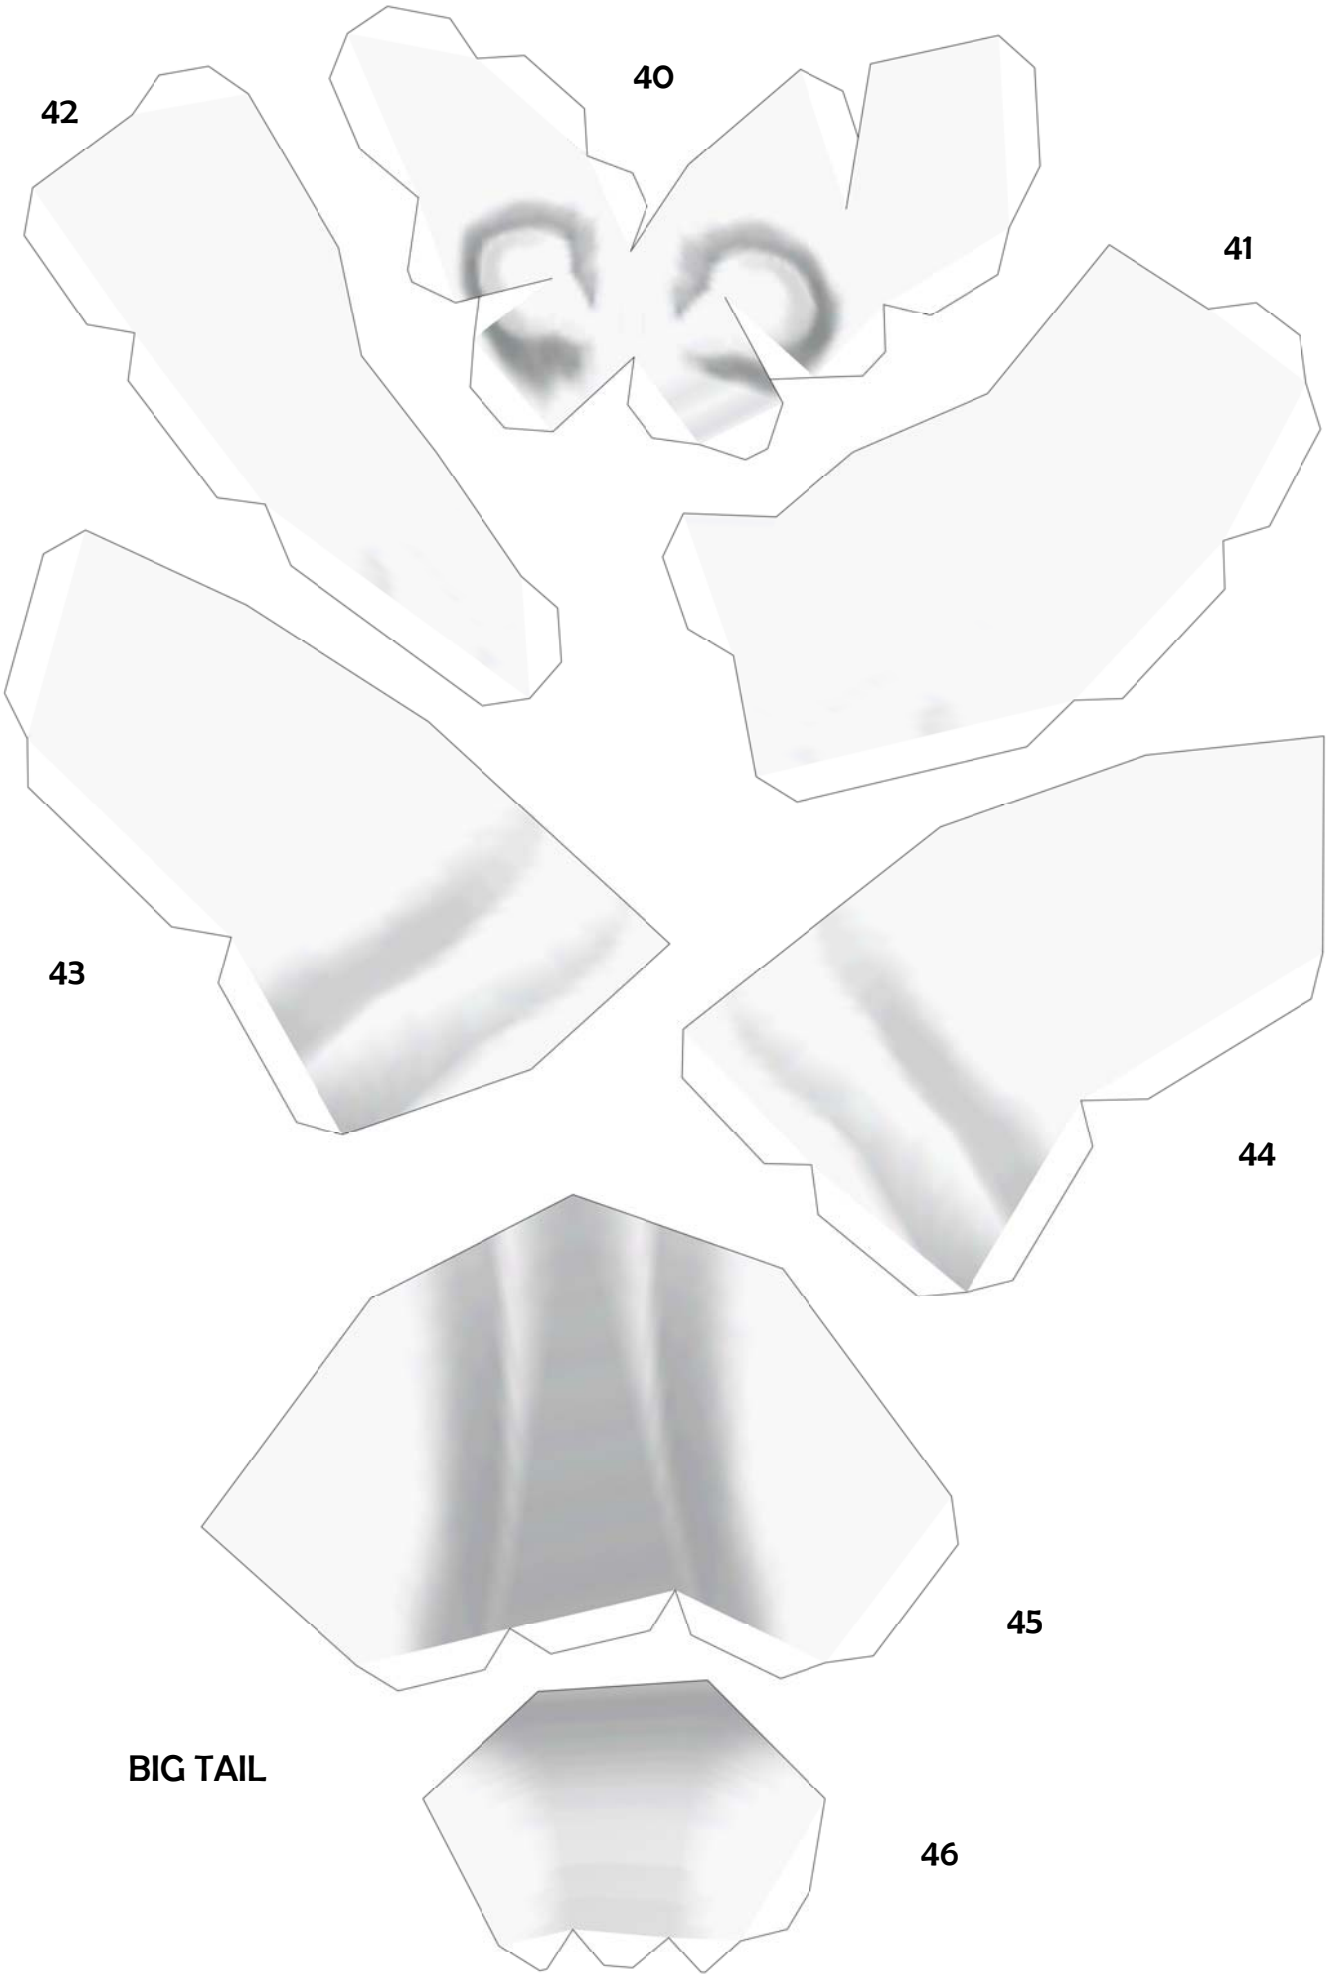

Glue the small tail piece to the

big one and let dry.

Then glue the tail onto the shell.

You will need good glue!
