DISSIDIA duodecim 012 FINAL FANTASY

PRISHE

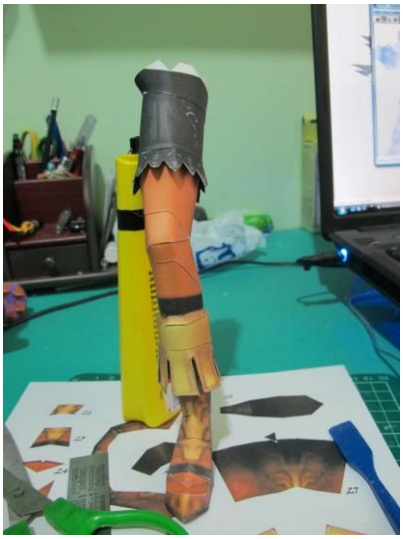

LEGS

1. First, construct parts 1-11 to make the feet. It's a very simple and fast build. Trim of the excess and double-side when necessary.
2. Then, construct parts 12-16 for the leg. Glue the leg and feet together.
3. Construct parts 17-19, double-side and trim accordingly. Repeat the steps with parts 20-38 for the other leg.
4. Join the legs together with parts 39-41.

SKIRT & SHIRT

1. Construct parts 42-47 for the skirt, which is pretty straight-forward. Double side and trim the skirt.
2. Construct parts 48-56 for the shirt. Construct parts 57-59 and attach to the shirt. Then glue parts 60-61 to the shirt.
3. Construct parts 62-68 for the ribbons and attach to the shirt.

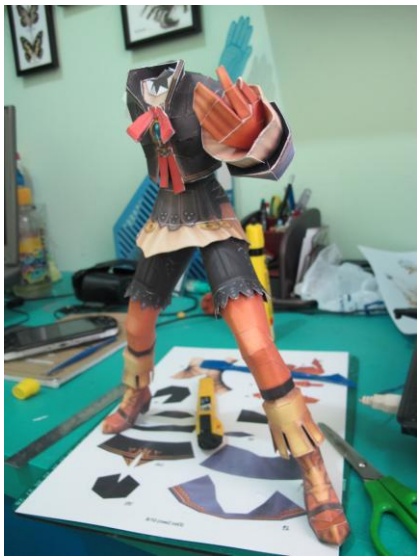

HANDS

1. Construct parts 69-74 for the hand. They are small so be careful. Set it aside.
2. Construct part 75 and glue it to the hand.
3. Construct parts 76-81 for the sleeves and glue the hand to it.
4. Construct parts 82-87, and then glue the sleeves to it.
5. Glue the arm to the body. Repeat with parts 88-104 for the other arm.

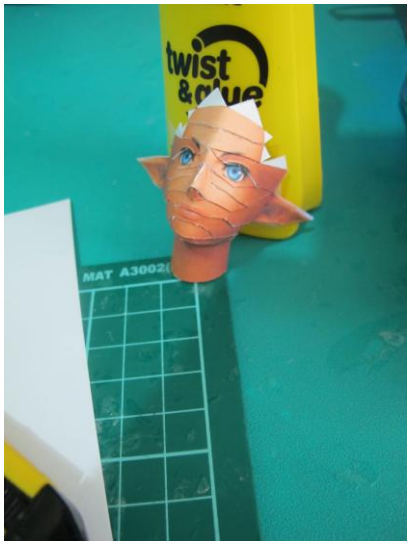

HEAD

1. Glue parts 105 and 106 to the body first. Trim and double side.
2. Construct parts 107-123 for the face.
3. Construct parts 124-129 for the bangs. Trim and double side as usual.
4. Construct parts 132-145 for the hair. Glue it to the head.
5. Glue the head to the body. the construct parts 146-148 and close the head with part 149.

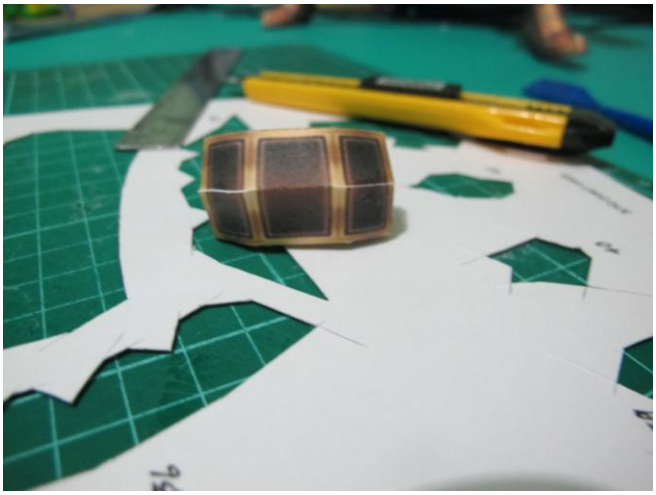

PEINETA & KNUCKLES

1. Construct part 150 for the peineta on her head.
2. Then, construct parts 151-158 for the knuckles she wears during Ex-mode. This is optional though. Glue them to her hands.

The foul-mouthed, immortal Elvaan with a huge appetite is finally complete.
