Yakko Warner

He is the oldest of the Warner siblings,
and a very talkative Toon.
He may be young, but he is definitely a genius,
and loves to sing educational songs.
Yakko is a fatherly figure to his siblings,
and always looks out for and cares for them.
He also often makes dirty jokes, and is very flirty,
constantly hitting on any girl that he finds
attractive.

He can store and retreive a vareity of items
from inside his pants, including a yak, balogna,
and many other things. He is also lactose-
-intolerant and is afraid of spiders.
